PRINCIPAL'S MESSAGE

Your editor, Victoria Shaw, has asked me to write a few words about our school, but because I am writing these greetings at the end of October 1983, I can share with you only my hopes for a very successful year. Time will tell what we make of this year, but as I listen to your Yearbook staff and to your Students' Council I know that if it is up to their enthusiasm and energy, we will have two vigorous and happy semesters. Certainly we began with a most successful Yearbook - Activity Card Bargain Day --- a record of approximately 1,000 orders and a display of boundless school spirit.

It is my hope that by the time we receive our Yearbooks in June the strong beginning in September and October will have been demonstrated many, many times over, and that each of you will remember and cherish the achievement and enjoyment which you experienced at Weston in 1983-84.

Sincerely,

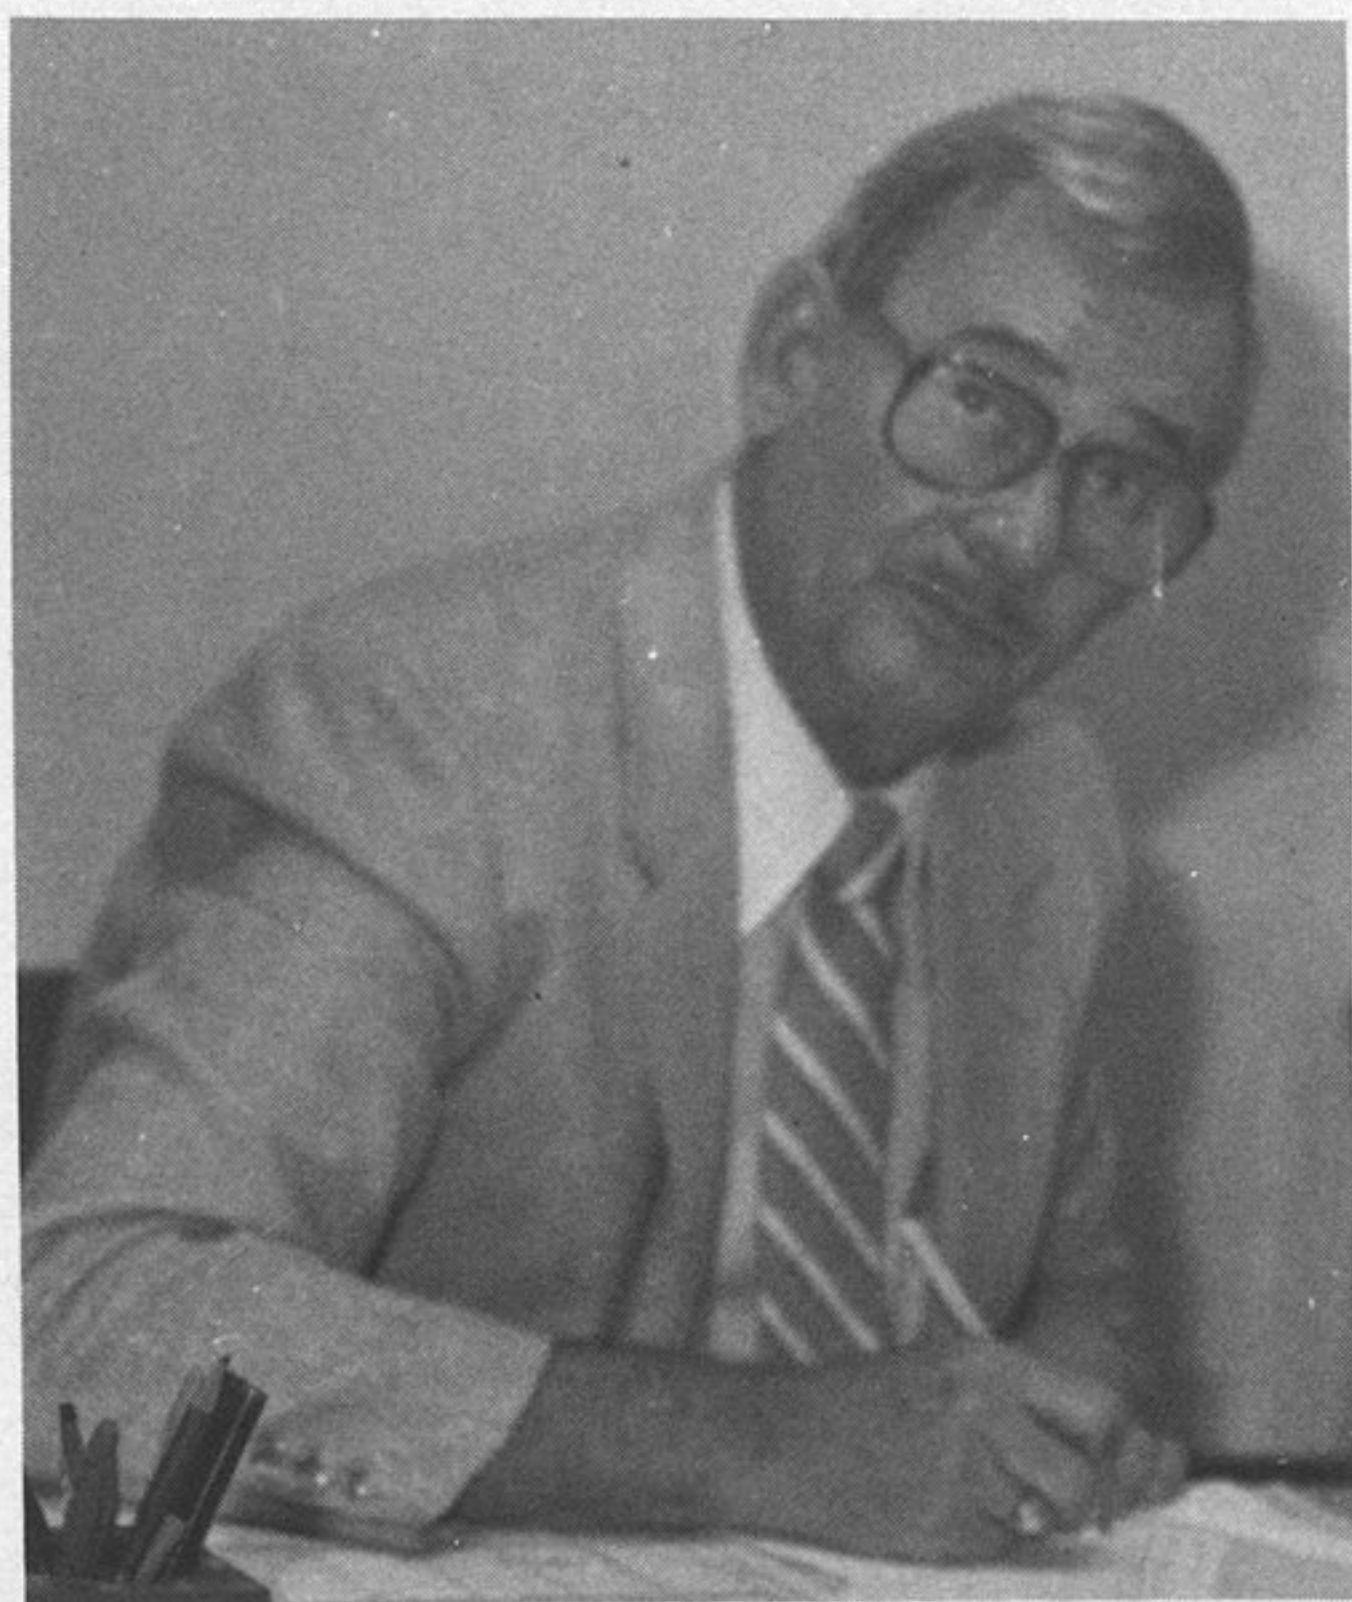

C.A. Collyer,
Principal.

The Wizard of Oz

"The Wizard of Oz"

As 'Dorothy', in 'The Wizard of Oz', it proved to be an exhilarating experience. I learned a great deal: not only about the many aspects of acting and singing, but also about people. I've never met so many people striving to attain perfection for one purpose - Opening Night.

The play required an extensive amount of time, work, and effort, but when it was all over, it was well worth it!

It was a fantastic learning experience that provided me with a sense of accomplishment. Thanks for those special memories Weston!

POETRY

To the Public!

If you are red with indignation
At the high rate of inflation
Which is ruining our nation -
Then have a conversation
With our country's representation,
But, if they show no indication
Of lowering this inflation,
Then find some transportation
And exit from the nation,
Then start your own dictation
In some jungle civilization.
You may ease your aggravation
But you cannot stop inflation,
So stop your exclamation
And live with this inflation,
Or you will be subject to deportation
And end up living in desecration!
This has been a message from your nation
On the problem of inflation!!

Trees blowing wildly,
Leaves flowing quickly downwards,
Fall's finally here.

Laurie Prior

Summer

Birds gliding and harmonizing
A colourful spectrum
of flowers bursting open.
The sun spreading its fiery rays
over the tanned soils.
Snowy white clouds like
cottonballs drifting
gently with the wind.
The fragrance of multi-coloured roses
rises with the soothing breeze.
And bees busy at their work
enjoying the day's brilliance
Fading gradually the sun's luster
vanishes behind the earth's horizon

The Family Christmas

Twas the night before Christmas
my father had read
or was it my mother?
So quietly we listened
as the story was told,
though we heard it before
The room was so still
And so it was year after year
the magic,
the silence
and we always listened.

Those days have passed
each child on his own
you've seen it before.
I returned one year,
Twas the night before Christmas
my father read
I cried.

Doris Richter

All by Herself

All by herself
she would sit,
The timid little girl
that never laughed
Entrapped in a world
of loneliness
Hiding behind the tears
was a frightened child.
Haunted by hurt,
Afraid of life,
Scared to love,
Hesitating to
reveal her sweet smile,
She lacked self-confidence
and pride,
All that was needed
to turn her life around
was someone to tell her
she was loved,
and not alone.

The Night the Devil Passed Through

It was a night in May
The day had gone fast
The wolves were at bay
It was the Devil that passed

The town was still sleeping
Till early that morn.
Betty Lou was found weeping
Her curtains all torn

The Devil had watched her
All through the night
He reached out to grab her
Her face had gone white

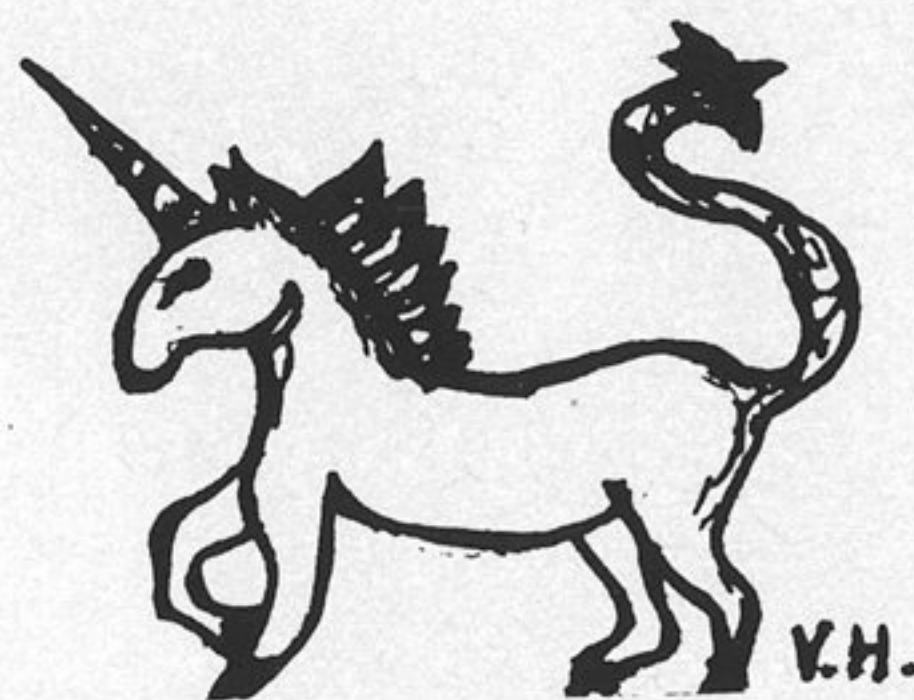

It was ten years today
The Devil passed through
They still remember that day
And gone is Betty Lou.

THE WESTON COLLEGIATE ALUMNI FOUNDATION

Congratulates Miss Donna Morton and Mr. Kirth Murray, winners of the first Weston Collegiate Alumni Awards. These Awards will be presented on a regular basis (but not necessarily on an annual basis) to students who have:

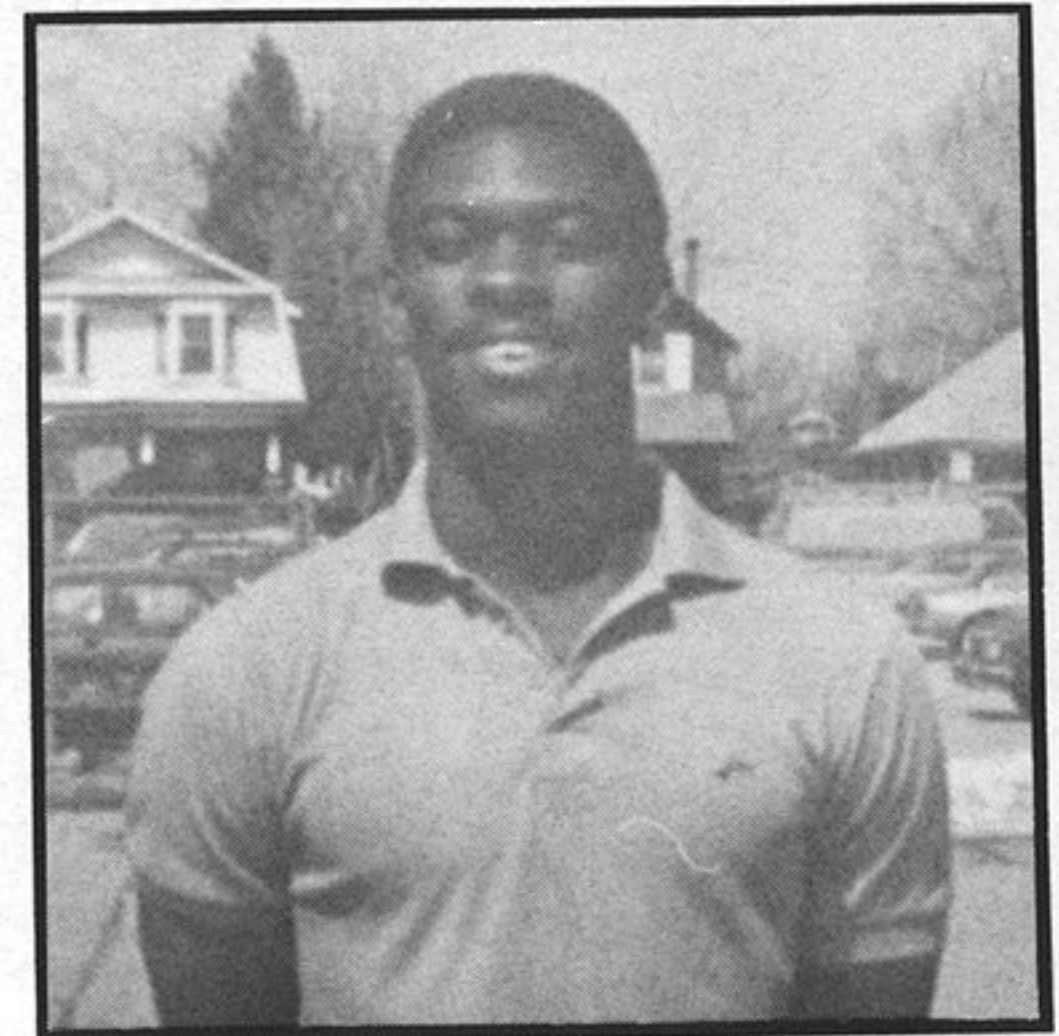

- successfully completed Grade 11 at WCI
- shown outstanding leadership and good citizenship
- contributed significantly to the School's extra-curricular activities

MISS. DONNA MORTON

Recipients

MR. KIRTH MURRAY

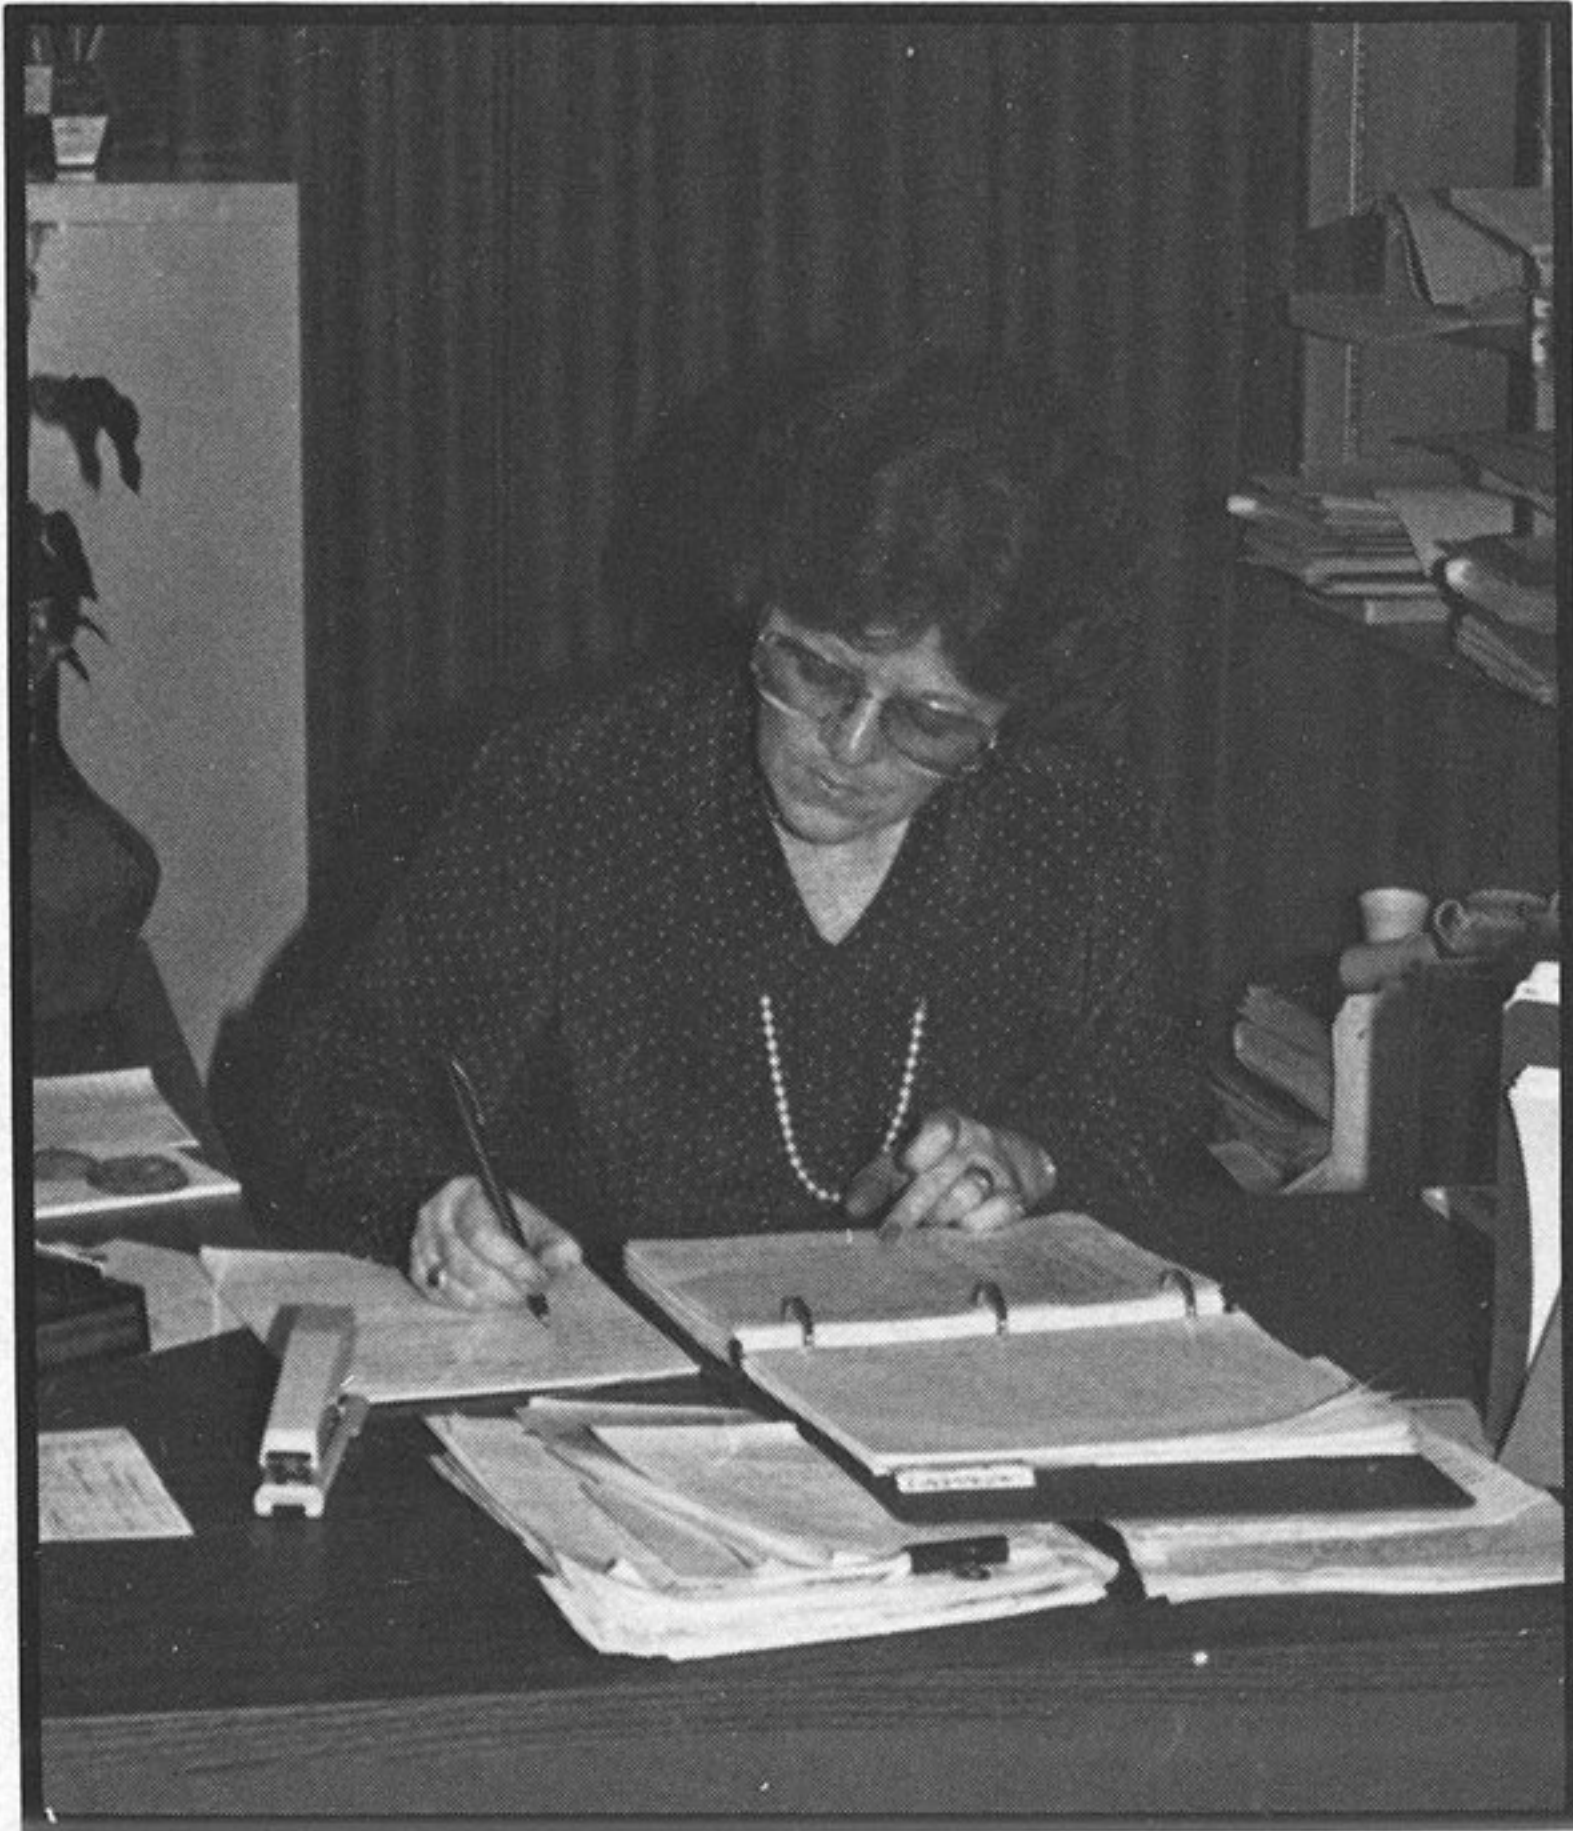

The Weston Collegiate Alumni Foundation was established in August 1982 by the Committee responsible for planning and organizing the School's 125th Anniversary celebrations. The Foundation's mandate was then, and remains:

To sustain and administer a School Assistance Fund that provides financial aid in such areas as Scholarships, Library, Orchestra, Athletics, etc. all within the prevailing Revenue Canada regulations for registered charities.

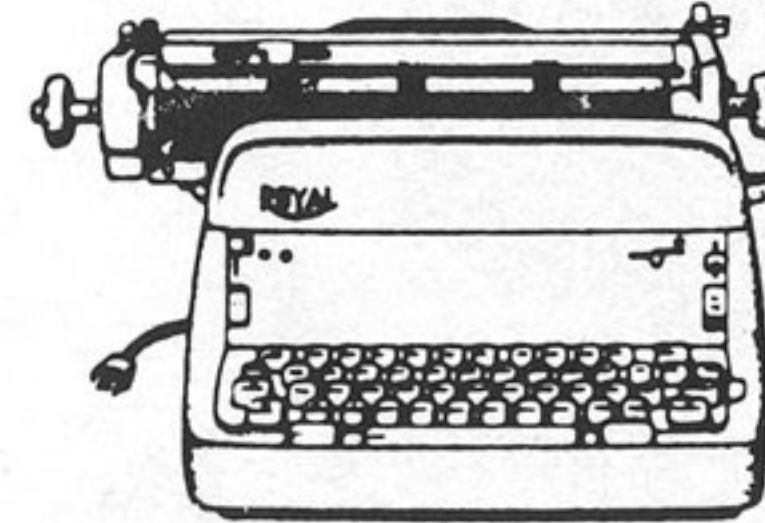

Revenue Canada accepted the Foundation's application for status as a charitable organization effective January 1, 1983.

SOUND OF MUSIC

"THE SOUND OF MUSIC"
Tears of Joy

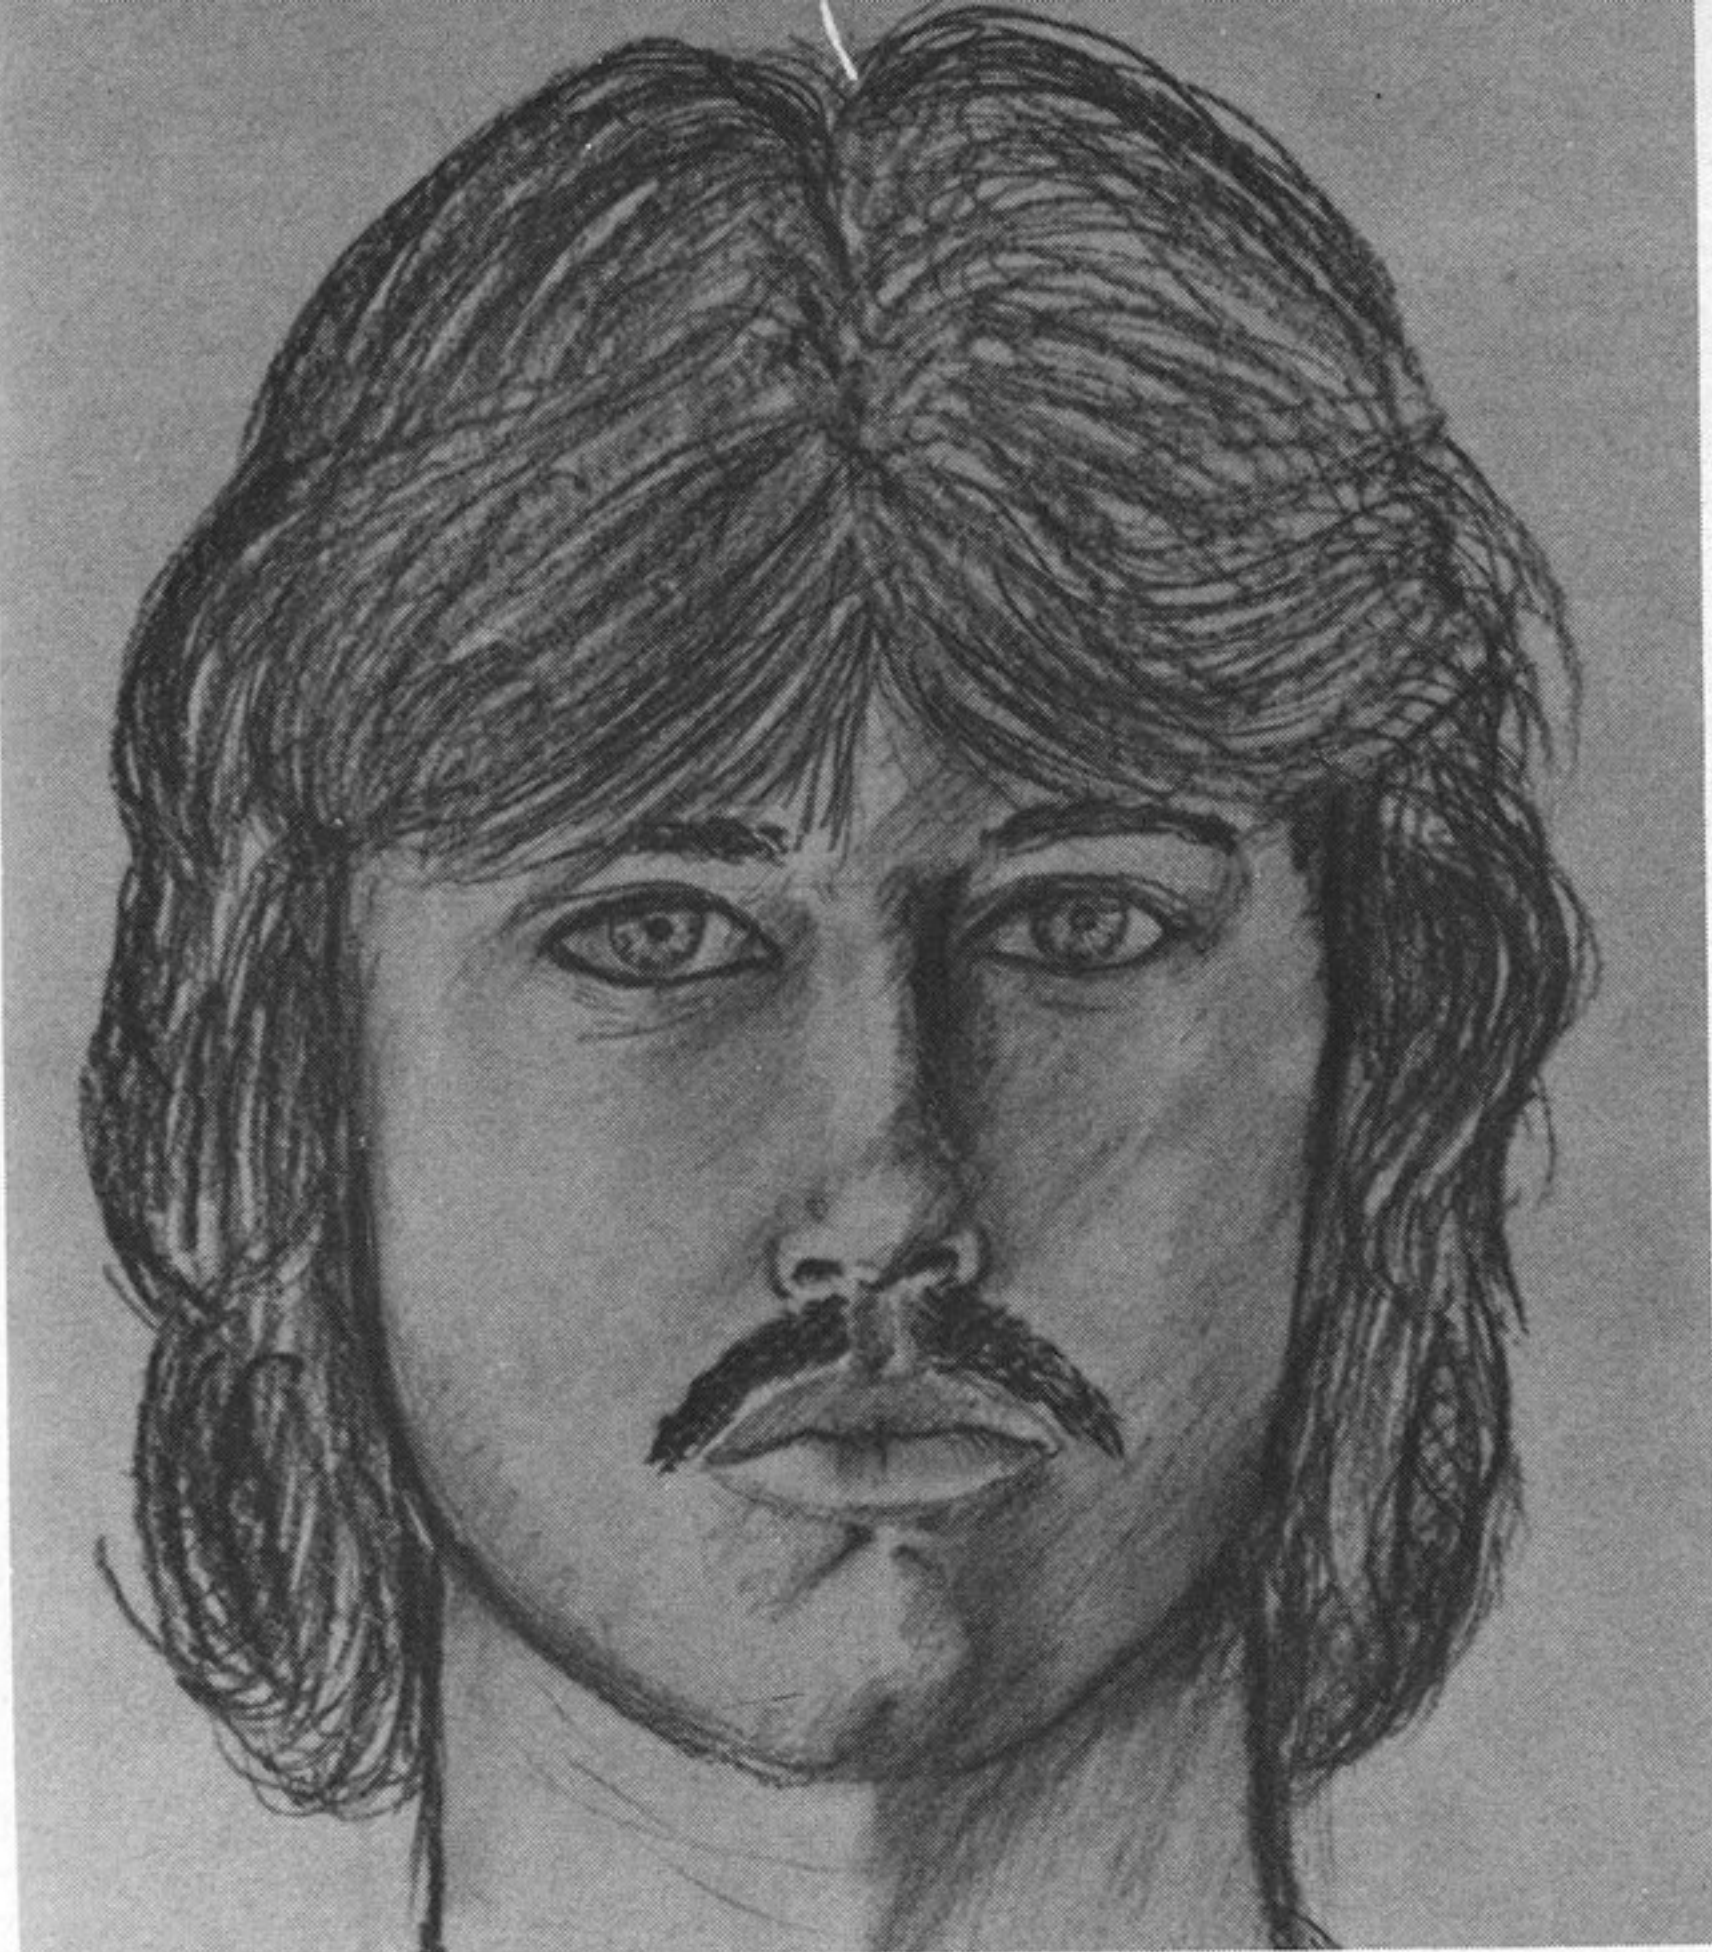

If I ever had an opportunity to relive one moment of my life, I would choose to, once again perform "The Sound of Music". The chance to be a member of such a closely-knit family was a pleasure that will always remain fresh in my mind. The laughter, the tears, the anger, the joy, the personal fulfillment and close friendship made this show a landmark in my life. I will always be grateful to the supporting, understanding cast and crew who never let me down. Thank you for the tears of joy and love that will keep the bond between us strong forever. I love you all!

PINE RIVER

PINE RIVER is a beautiful outdoor environment situated north of Toronto. The Multicultural Leadership Program takes place there for one week. This program is offered to selected grade 9 students in the spring and grade 11 students in the fall. Five students and one teacher from each school in the City of York gather together to share in this unique experience. The students involved are from various cultural backgrounds.

Upon arrival "family" groups were formed. Students from each school were represented in these groups. Typical lessons involved controversy issues on prejudices, development of communication skills and role playing. Interwoven with these discussions were outdoor activities. Students participated in projects such as clearing forests or building bridges and shelters. The obstacle course was a final activity organized in school groups. Weston won first prize in the fall '83' event.

The following Weston students participated in the Pine River M.L.P. Grade 9: Donna Ashley, Karen Chang, Chris Crawford, Sri Kanagarajah, Joanne Pagnini. Grade 11: Sean Conlin, Nathalie DuCourneau (exchange student from France), Shelley Jones, Angello Marmora, Tina Mills. Group Leader: K. McCabe.

STUDENTS COUNCIL

PRESIDENT: Bruce Cargil. F.S. You can't lose with ludes, Ludes make better lovers W of A If the system is the answer, what's the question? Question authority!

The past year had its good points and its bad points therefore maintaining an equilibrium was a job "The Quaylude Kid"

SOCIAL CONVEYOR: Anita Lee Student Council was an enlightning experience. To remain sane in a crazy system one learns that true friends and self-belief are the only important essentials of life. To be idealistic is difficult in a place afraid of change, but never compromise the truth. And to my true friend, hold out just a bit longer, the best is yet to come.

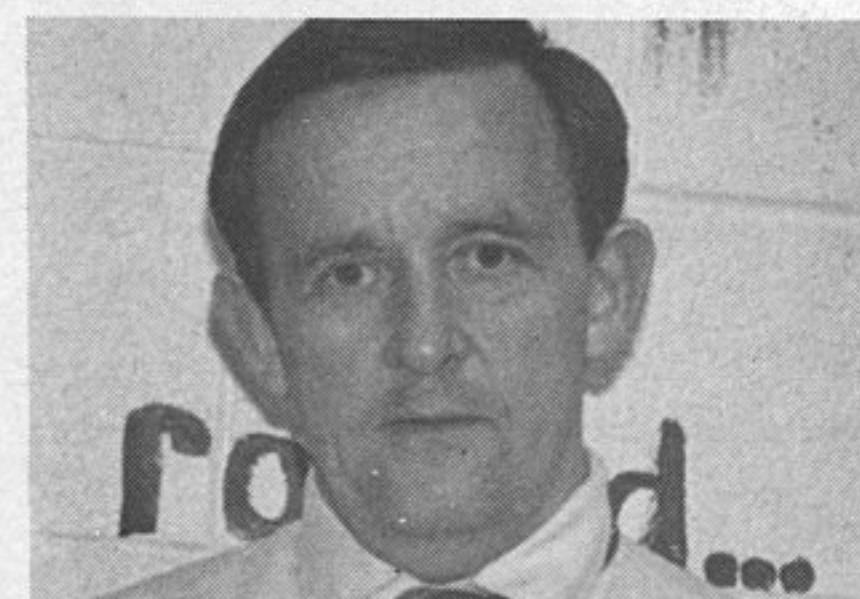

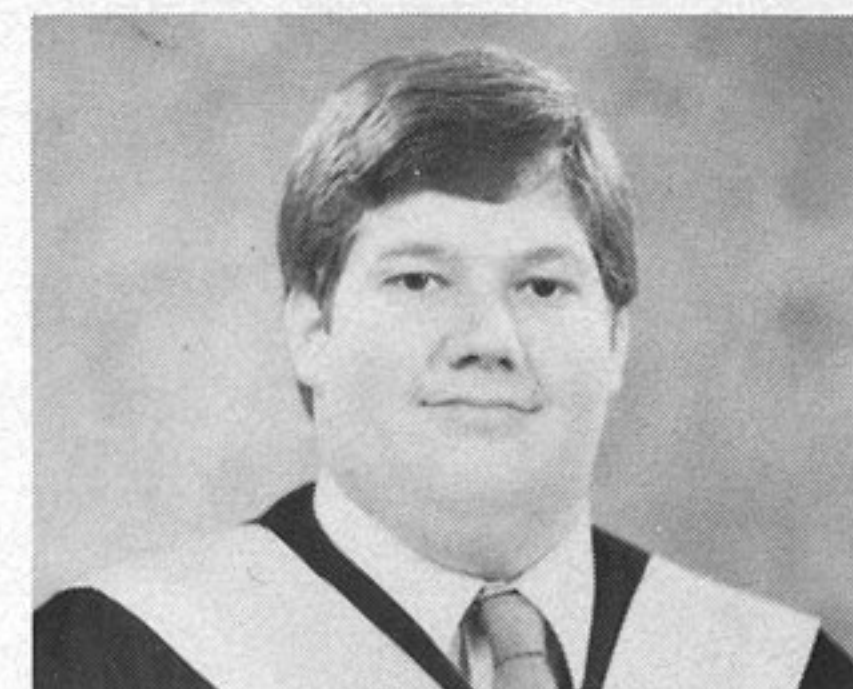

VICE-PRESIDENT: Donna Morton. The year of 83-84 certainly has been an experience. I've learned a great deal about human nature, perhaps too soon in my life. For those I love, the year has been filled with magic moments and closeness. This is what I will remember all my honest love!!

CAMPAIGN CHAIRPERSON: Marlee Cargill I have often heard people say that high school is a time of learning and growing up. This is certainly true for me. This last year on Student Council has opened up a new world full of responsibility, deadlines and demands. Besides learning valuable experiences, I also met and exchanged views with many new friends.

TREASURER: Mona Scoppo. Throughout this year, working together with other members of the student council has been an experience in itself ... One could learn the true nature of a real human being ...!

SECRETARY: STEPHEN BURROWS. I really enjoyed being on the student council. The people I worked with were especially great, a little crazy maybe, but definitely not boring. It was an experience. Many Thanks

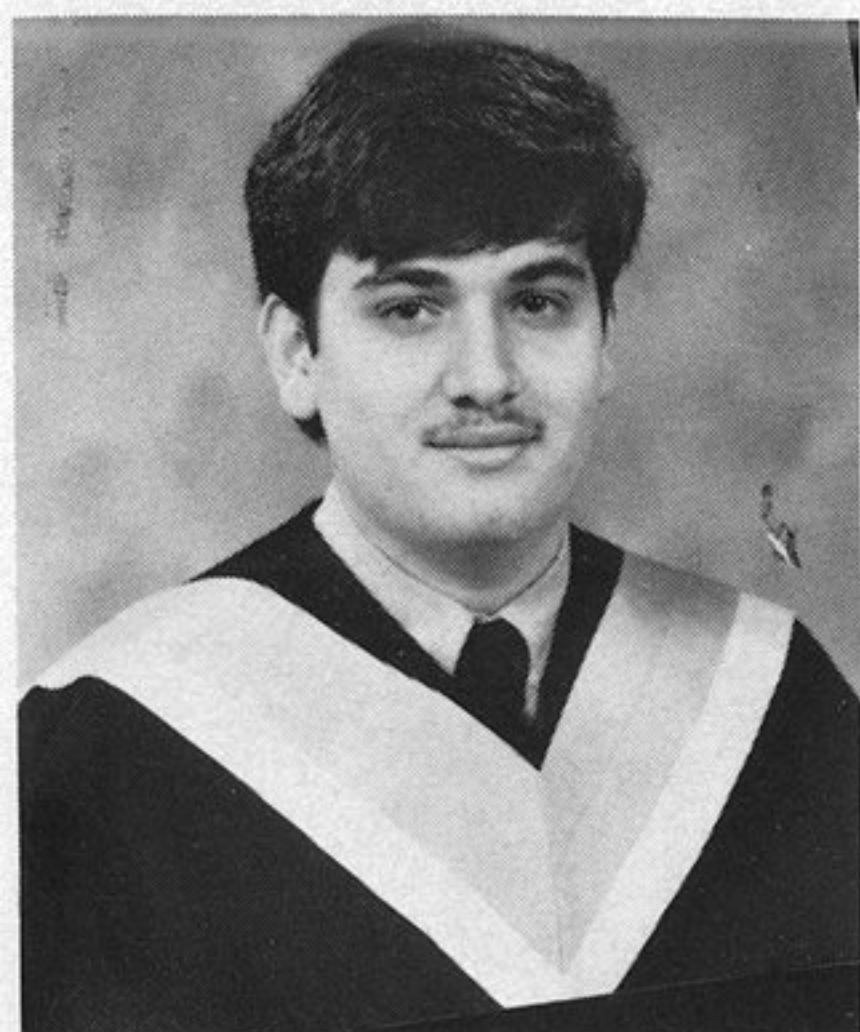

ADVISER: Mr. J. Deline. Fantastic Year! GREAT STUDENT COUNCIL!

EDITORIAL COMMENT

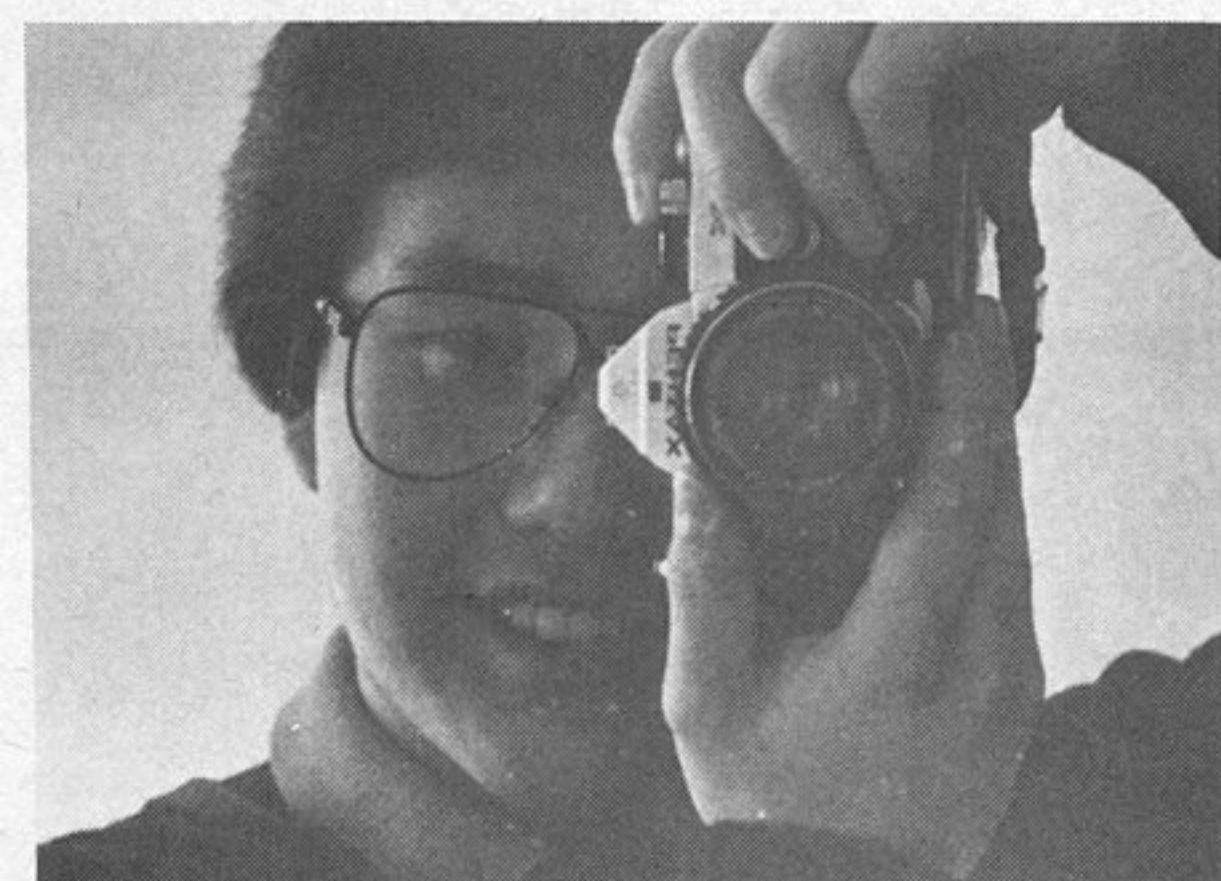

Being the Editors of this year's CONNING TOWER was a rewarding experience. We put in many long hours to produce an everlasting memory for all the W.C.I. students of 1983/84. Many sacrifices had to be made to allow us to survive in our stuffy corner of a room; but we made the best of it and made many friends along the way. Learning to compromise with other people and their ideas was an essential asset in producing this yearbook. A word of gratitude to all the members of the yearbook staff: "We couldn't have done it without your help."

Thank you,
George Barelos and Carol Walker

SENIOR FOOTBALL 1983

This Year was a very successful year for the Weston Sr. Football Ironmen. After finishing the year with a very satisfying 3-3 record, the Ironmen advanced to the semifinals playing York Memorial at home but lost in a gallant effort by 1 point. We hope to improve both offensively and defensively and advance farther than ever before in the 84 season.

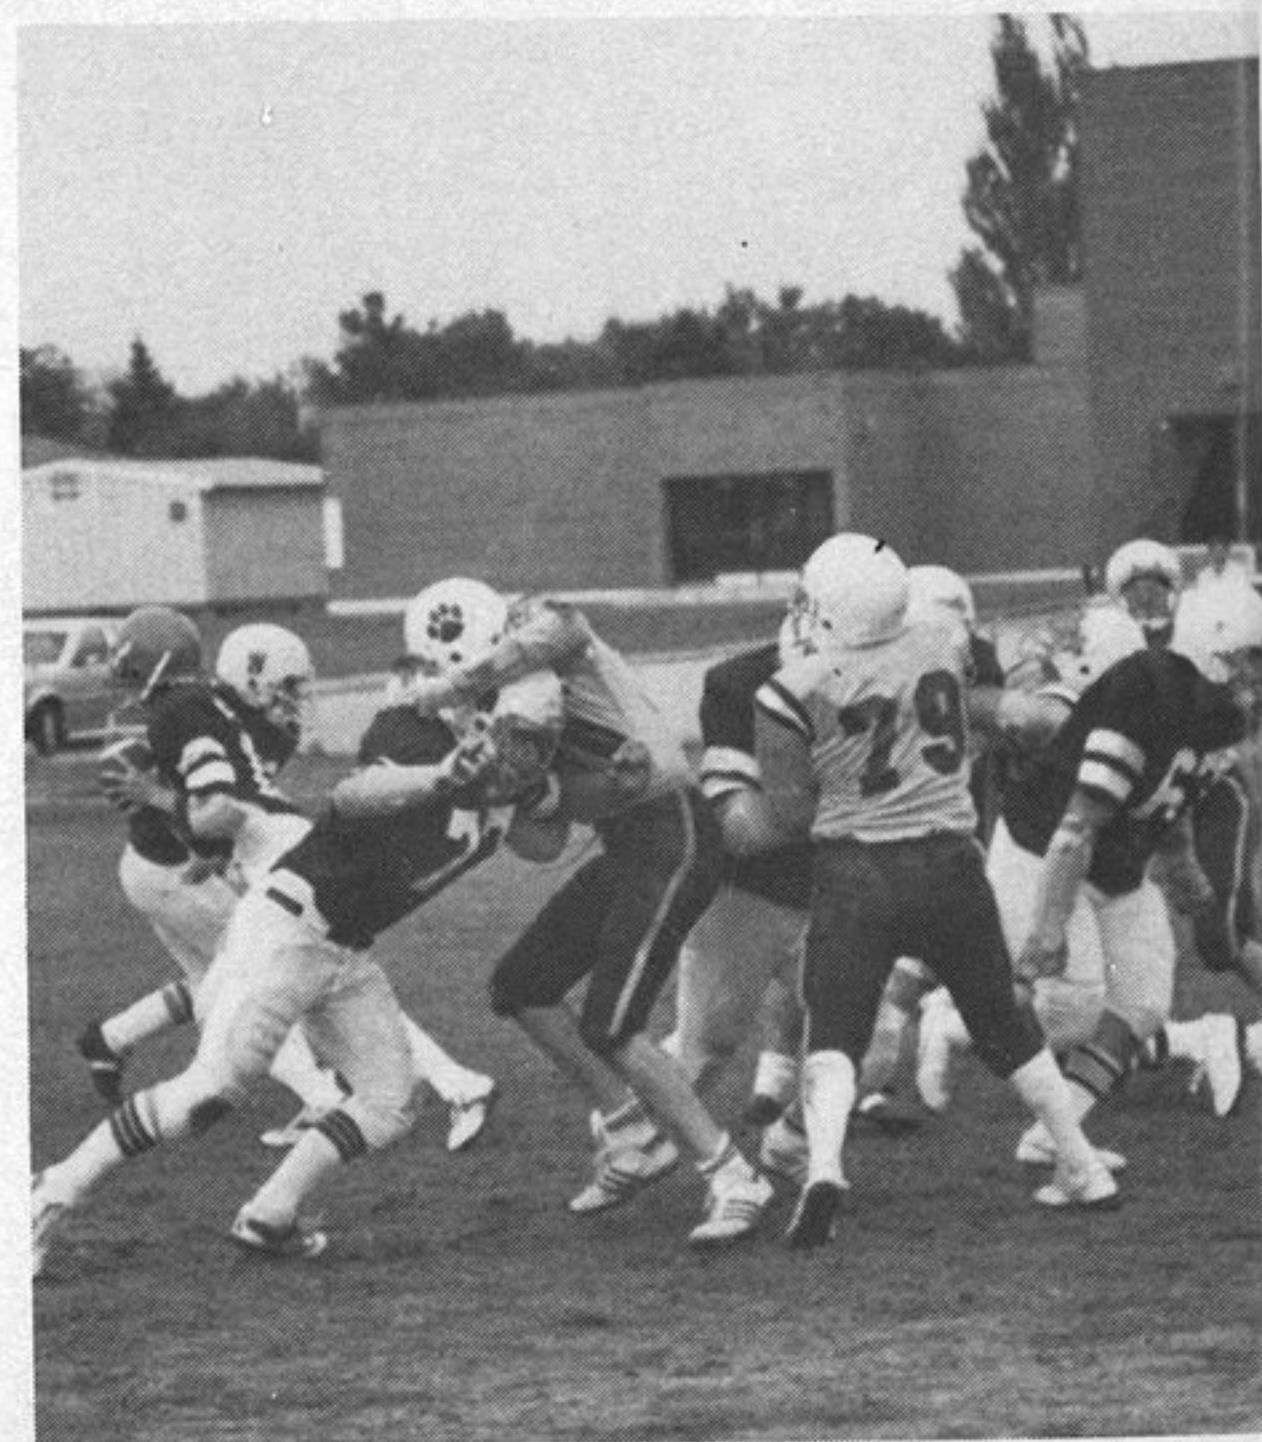

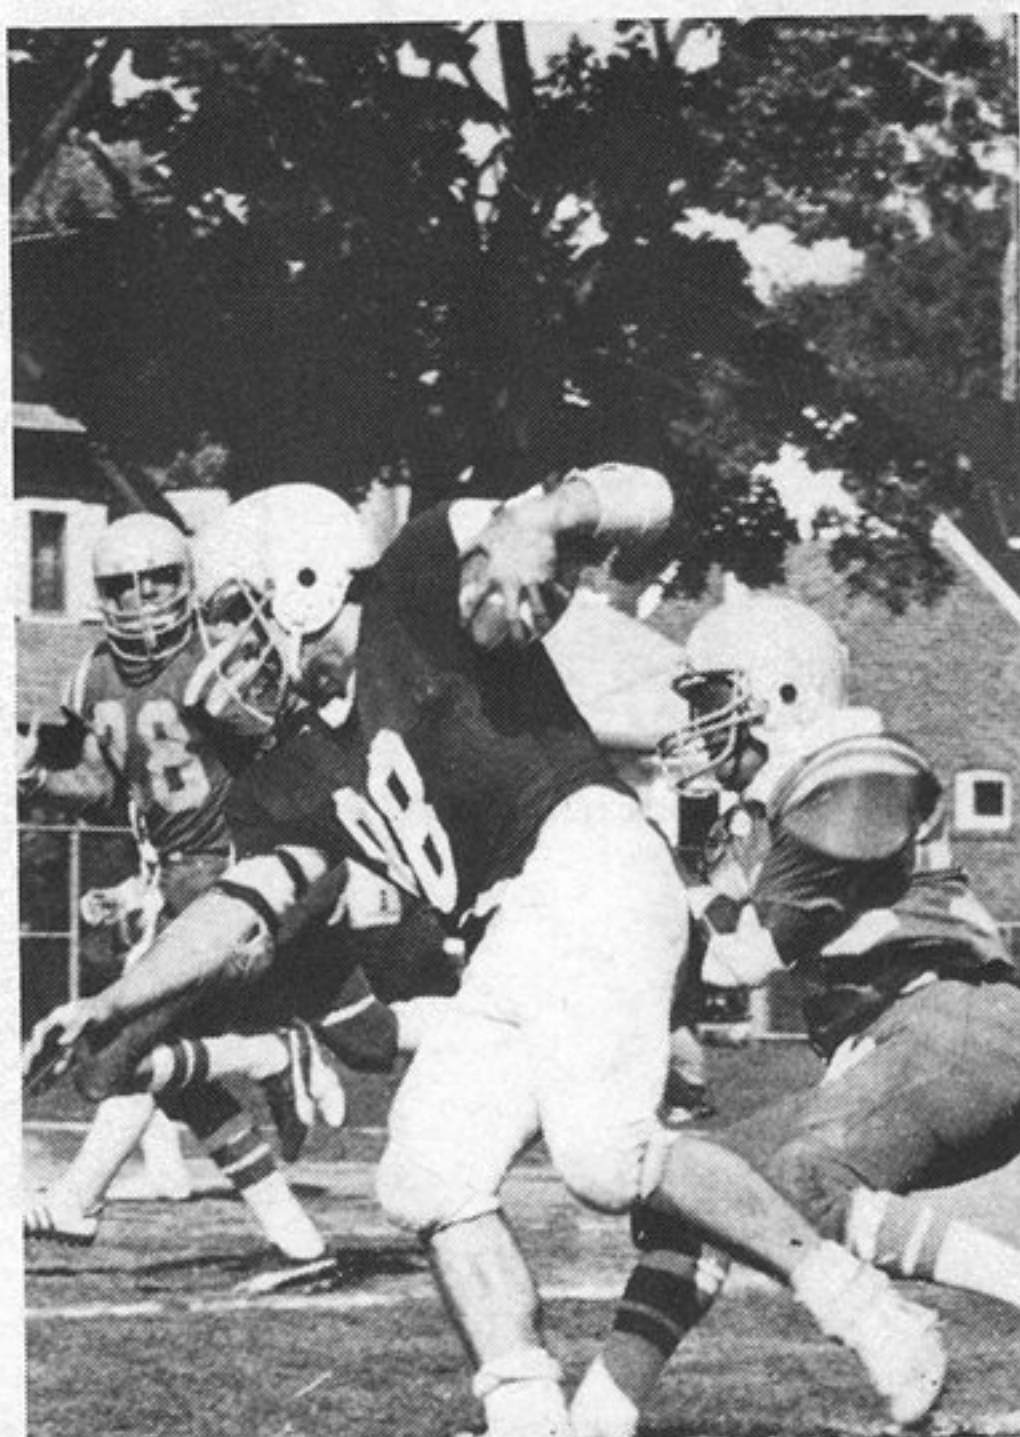

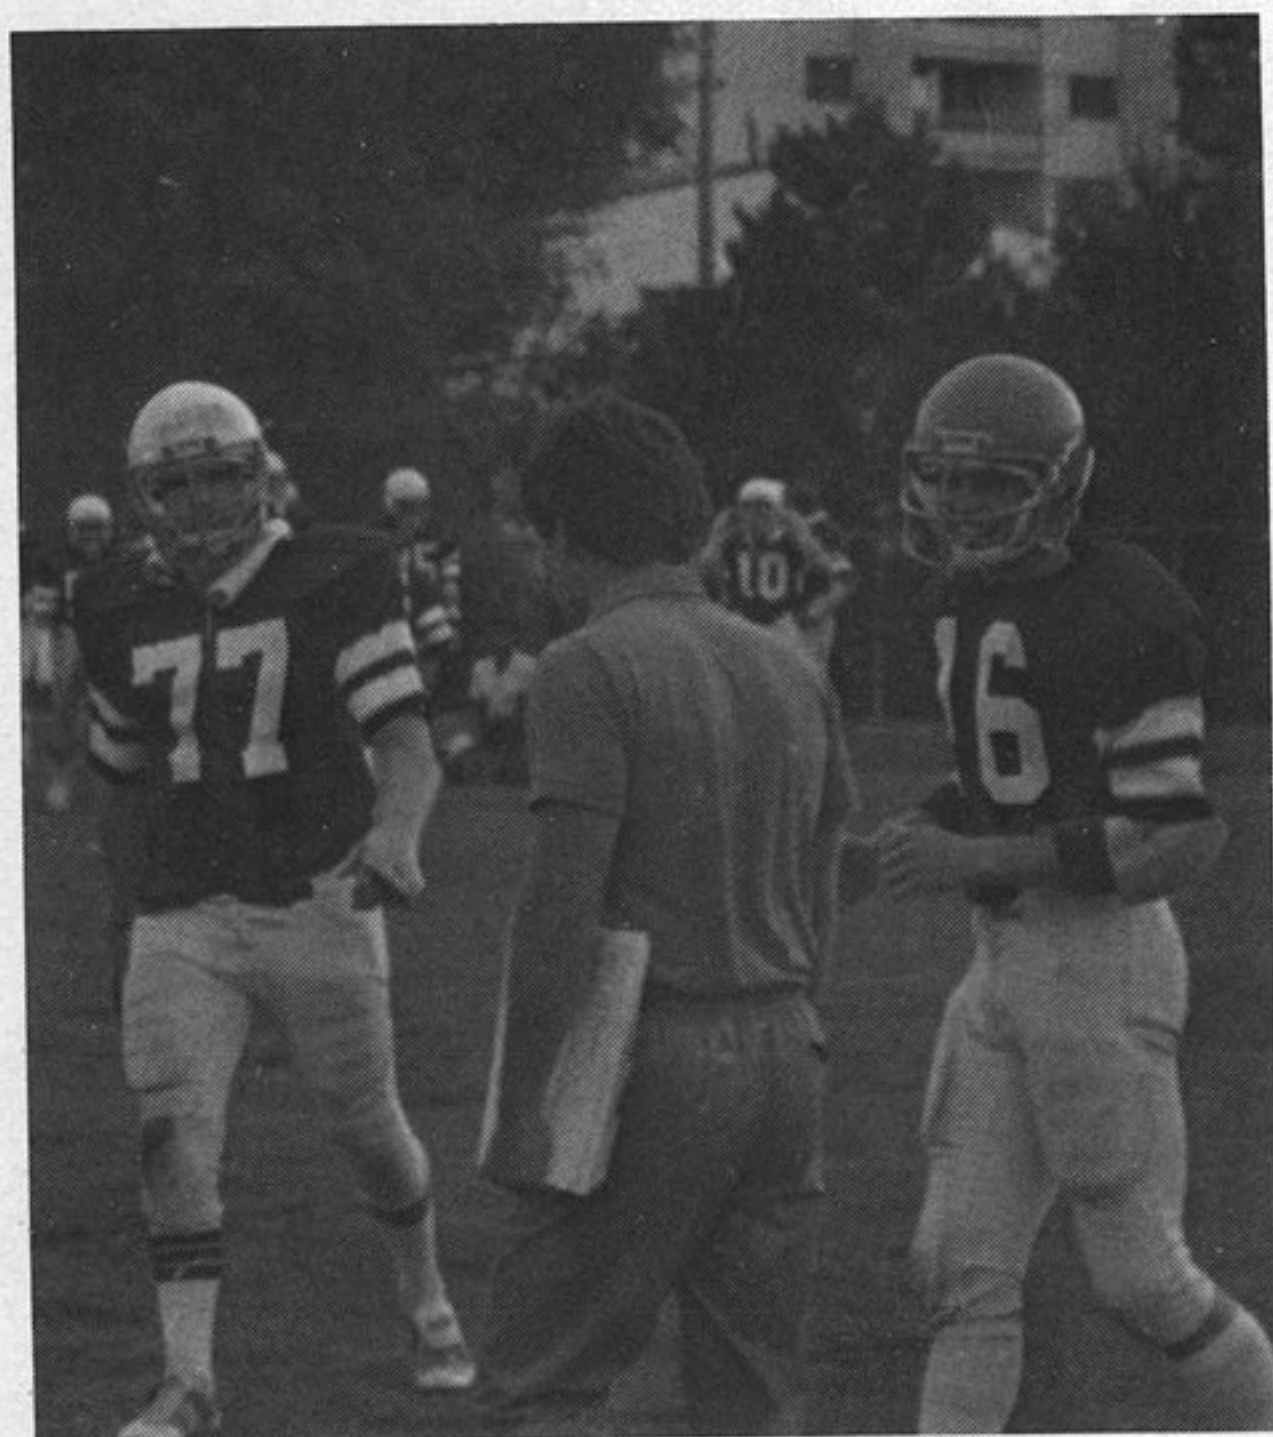

The members of the 1983 team would like to express there appreciation to the coaches for their time and effort given throughout the season.

JUNIOR FOOTBALL 1983

Our Junior Football Ironmen had a relatively successful season once again. In league standings we had a record of 3 wins, 2 losses and a tie which was good enough for third place. In the semi-finals and playing probably the best game of the season we lost to East York by one touchdown. Overall, the team, which was the defending 1982 champions, performed very well with a number of rookies for this was basically a rebuilding year as many of the former players had graduated to the Senior team. Prospects look excellent for 1984 as most of the players will return and form the nucleus of an experienced team.

BANTAM BASKETBALL 83/84

The 1983-84 basketball season was a most successful one for the bantam Ironmen. The team won the York League Championship for the first time since 1980 and came very close to becoming the first Weston boy's basketball team to win a T.D.I.A.A. championship.

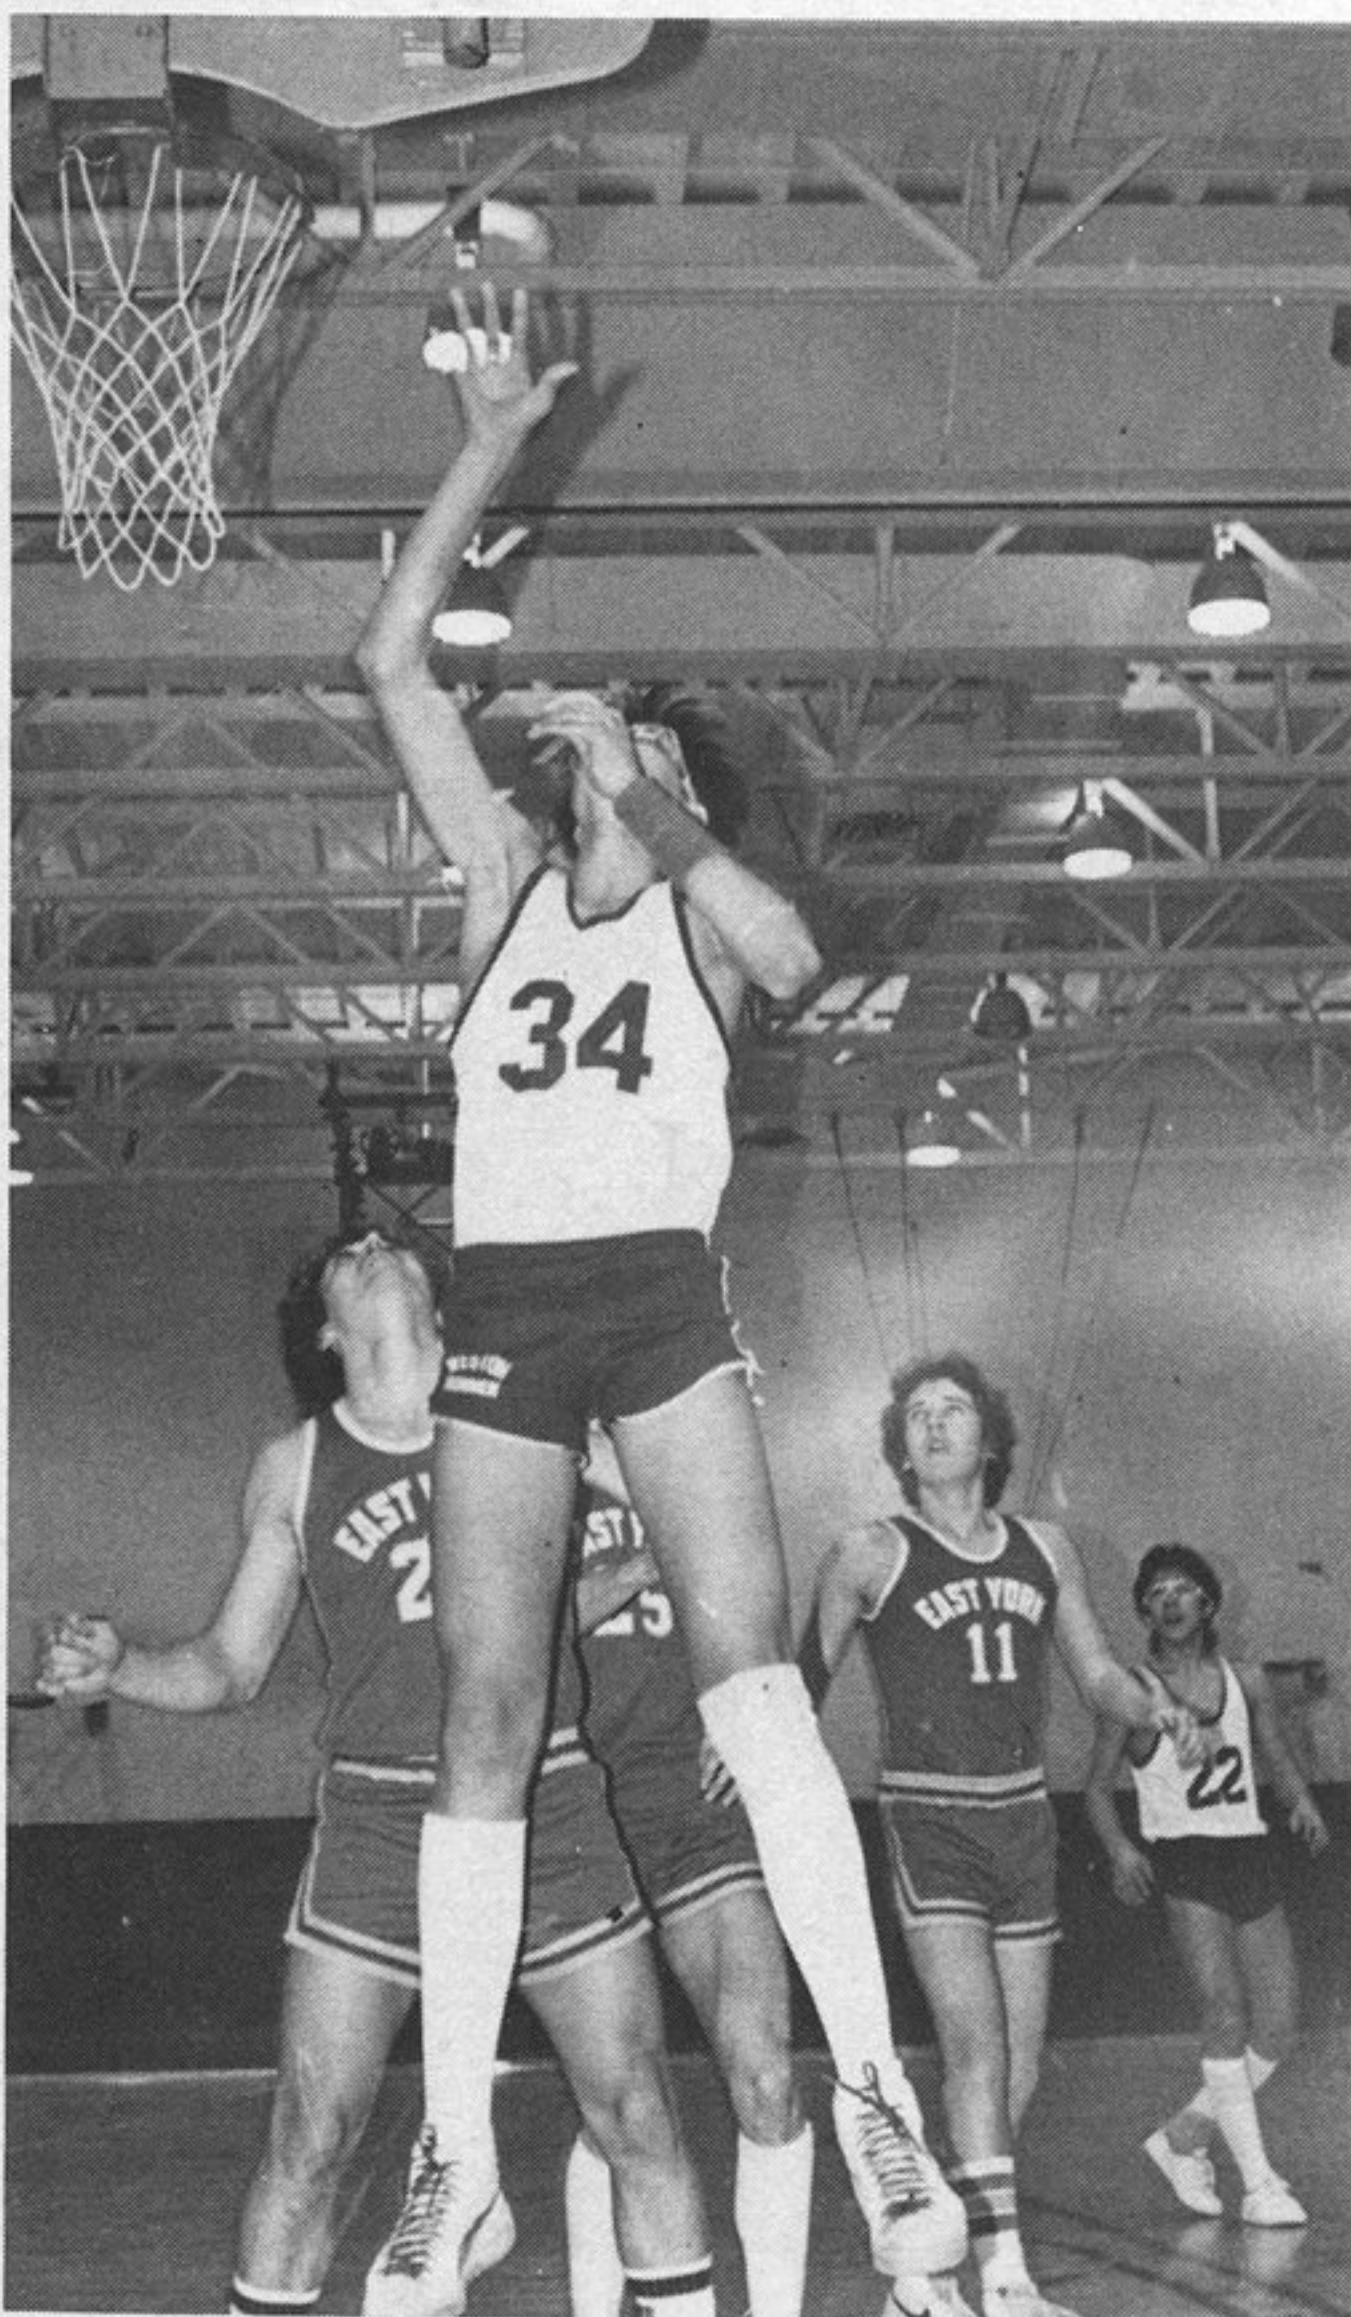

The Ironmen started the season with a solid win over East York. At the half-way point in the schedule, the team boasted a 7-1 record and at the end of the regular season the Ironmen sported an 8-3 record and sole possession of second place.

After a big win over East York in the Semi-finals, the Ironmen defeated defending champions, George Harvey in the York Championships. They then went on to meet Etobicoke champs, Martingrove C.I. in the T.D.I.A.A. Championship game. The Ironmen played well, but lost a close 48-45 decision that was not decided until the final seconds.

Overall, the bantams ended the year with an impressive 10 wins-4 losses record, and the team should take pride in their accomplishments. Congratulations for a job well done!

The 1983-84 season was the best in over 10 years for the W.C.I. Senior Hockey Ironmen. The team compiled an 8-2-2 regular season record before eliminating Runnymede in the first round of the play-offs. From there the Ironmen met

up with York Memorial, the defending champions. Weston lost the first game in the dying seconds by a score of 3-2, but came back to tie the series with a 7-1 drubbing of the Mustangs. In the third and deciding game the Ironmen battled back from a 3-1 disadvantage with the help of a high energy W.C.I. cheering section, to win the game 6-4 and the series 2 games to 1. It seemed as if the dream had come to an end when Weston lost to Kipling Collegiate in the T.D.I.A.A. semi-finals but Kipling was later disqualified for using ineligible players, allowing the Ironmen to play in the finals against Leaside. Again the Ironmen came from behind. With Leaside leading 3-2 late in the first game, Weston tied the score, then won it with just seconds remaining in overtime! The series then moved to Weston arena where the Ironmen clinched the York & T.D.I.A.A. Championships with a 3-1 win before a jam packed W.C.I. crowd.

During the Christmas break the Ironmen entered the Oakville tournament with 15 other teams from around Ontario. Weston proved they could win on the provincial level, finishing third and picking up the bronze medal. The Ironmen also took part in the St. Martin's tournament advancing to the playoff round but finally losing in a shoot out. Weston finished off the season representing the T.D.I.A.A. at O.F.S.A.A. The team played well beating Garneau from Ottawa 6-2 and Windsor Herman 4-1 before bowing out to the tournament finalists Fort Frances 3-0.

All in all the team had an outstanding year and would like to thank the coaches, Mr. Both and Mr. Whitaker as well as the many fans who supported the team through the entire year.

TEAM MEMBERS: Bill Korakis, Ken Clark, Scott Studley, Peter Galanis, Andy Ujvari, Jay Stenhouse, Dave Coppinger, Ramey Sakamoto, Dave Marr, Keith Osbourne, Matt Gillmore, Steve Mercer, Drew Meyer, Graeme Erskine, Darryl Vaters, Steve McGrail, Glen Soady, Rob Abbott, Ed Sabo. Coach: Mr. Nadin, Mr. Kishimoto.

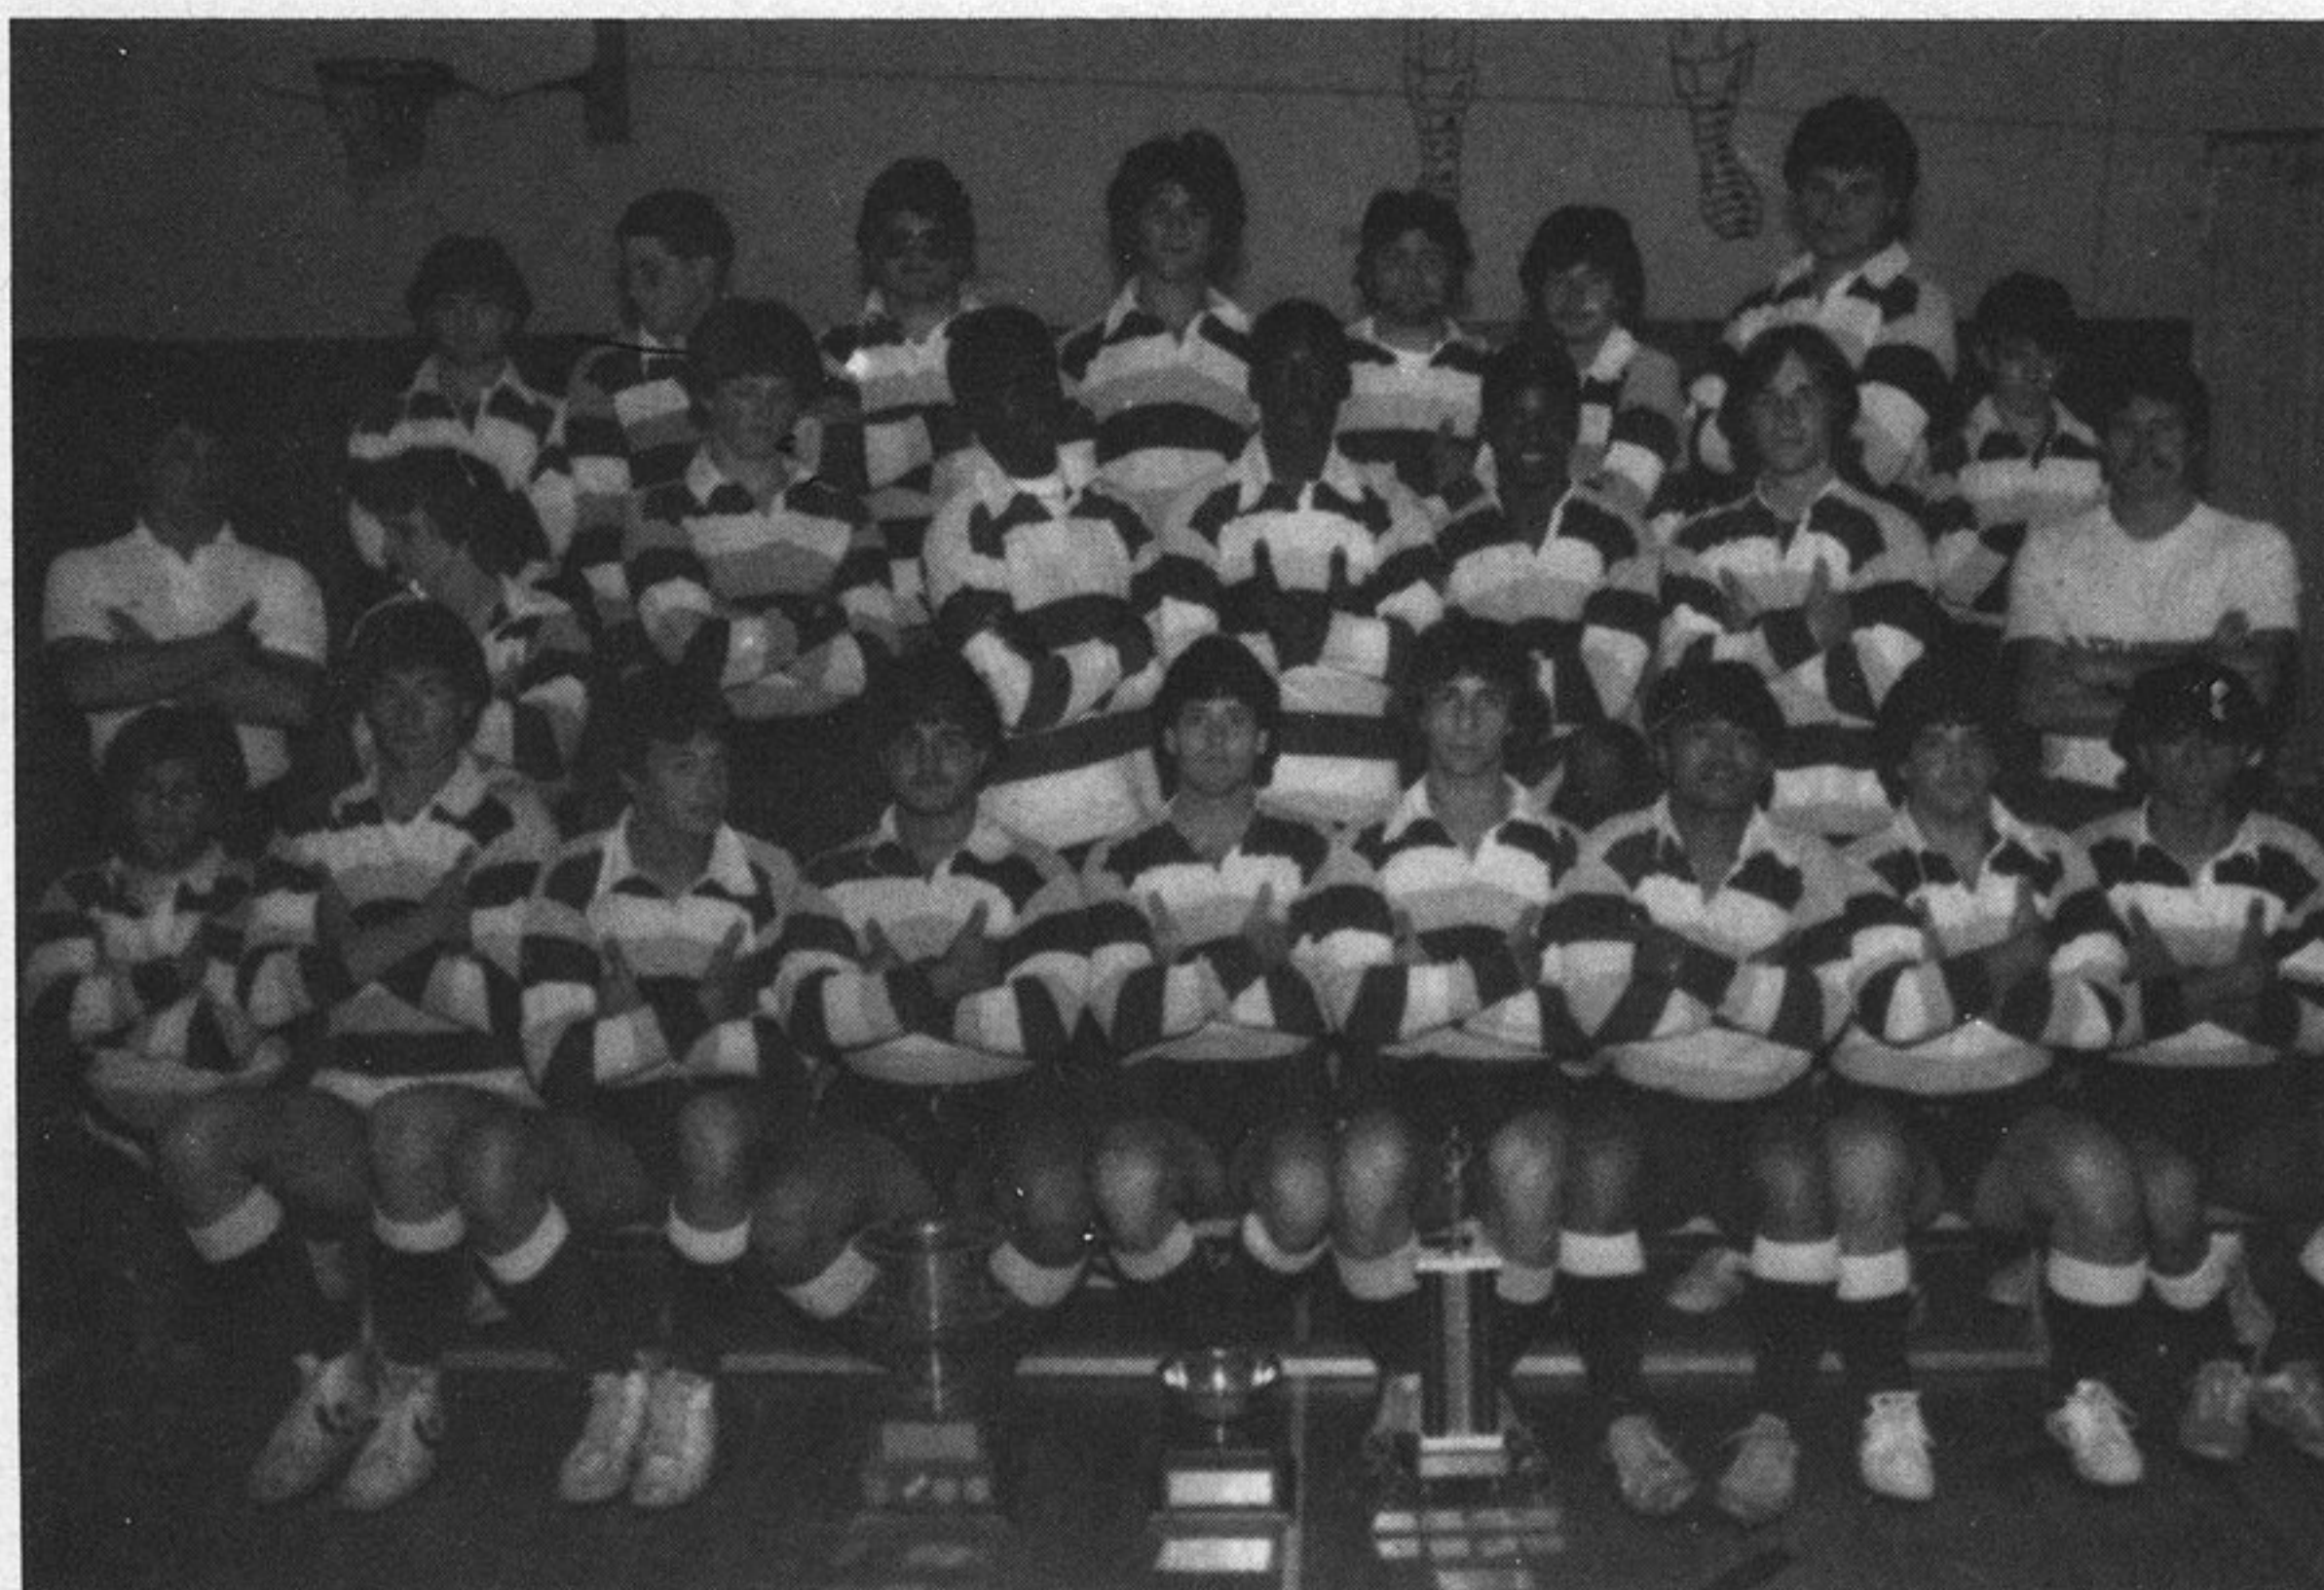

JUNIOR HOCKEY 1983-84

The junior hockey Ironmen had a relatively successful season this year as they finished in third place in the league schedule. However, in the play-offs, Weston defeated York Memorial in the semi-finals and advanced to the finals against George Harvey. The older and more experienced Harvey team won the finals in two games, but the juniors did play greatly improved hockey and with a few breaks might have won the championship. Things look much better for next season as many of the players will return.

1983 RUGBY: YORK AND T.D.I.A.A. CHAMPIONS

The 1983 season was "the year of the injury". We didn't have a game all season where one of the first fifteen wasn't hurt. However, our bench strength, the team's attitude and effort was outstanding, these were the reasons why this was our best season every.

We finished the season with a 15-1 win-loss record. In the Bathurst and Weston Invitational Tournament we finished in the championship round and in the Sir Francis Libermann Tournament we came away champions.

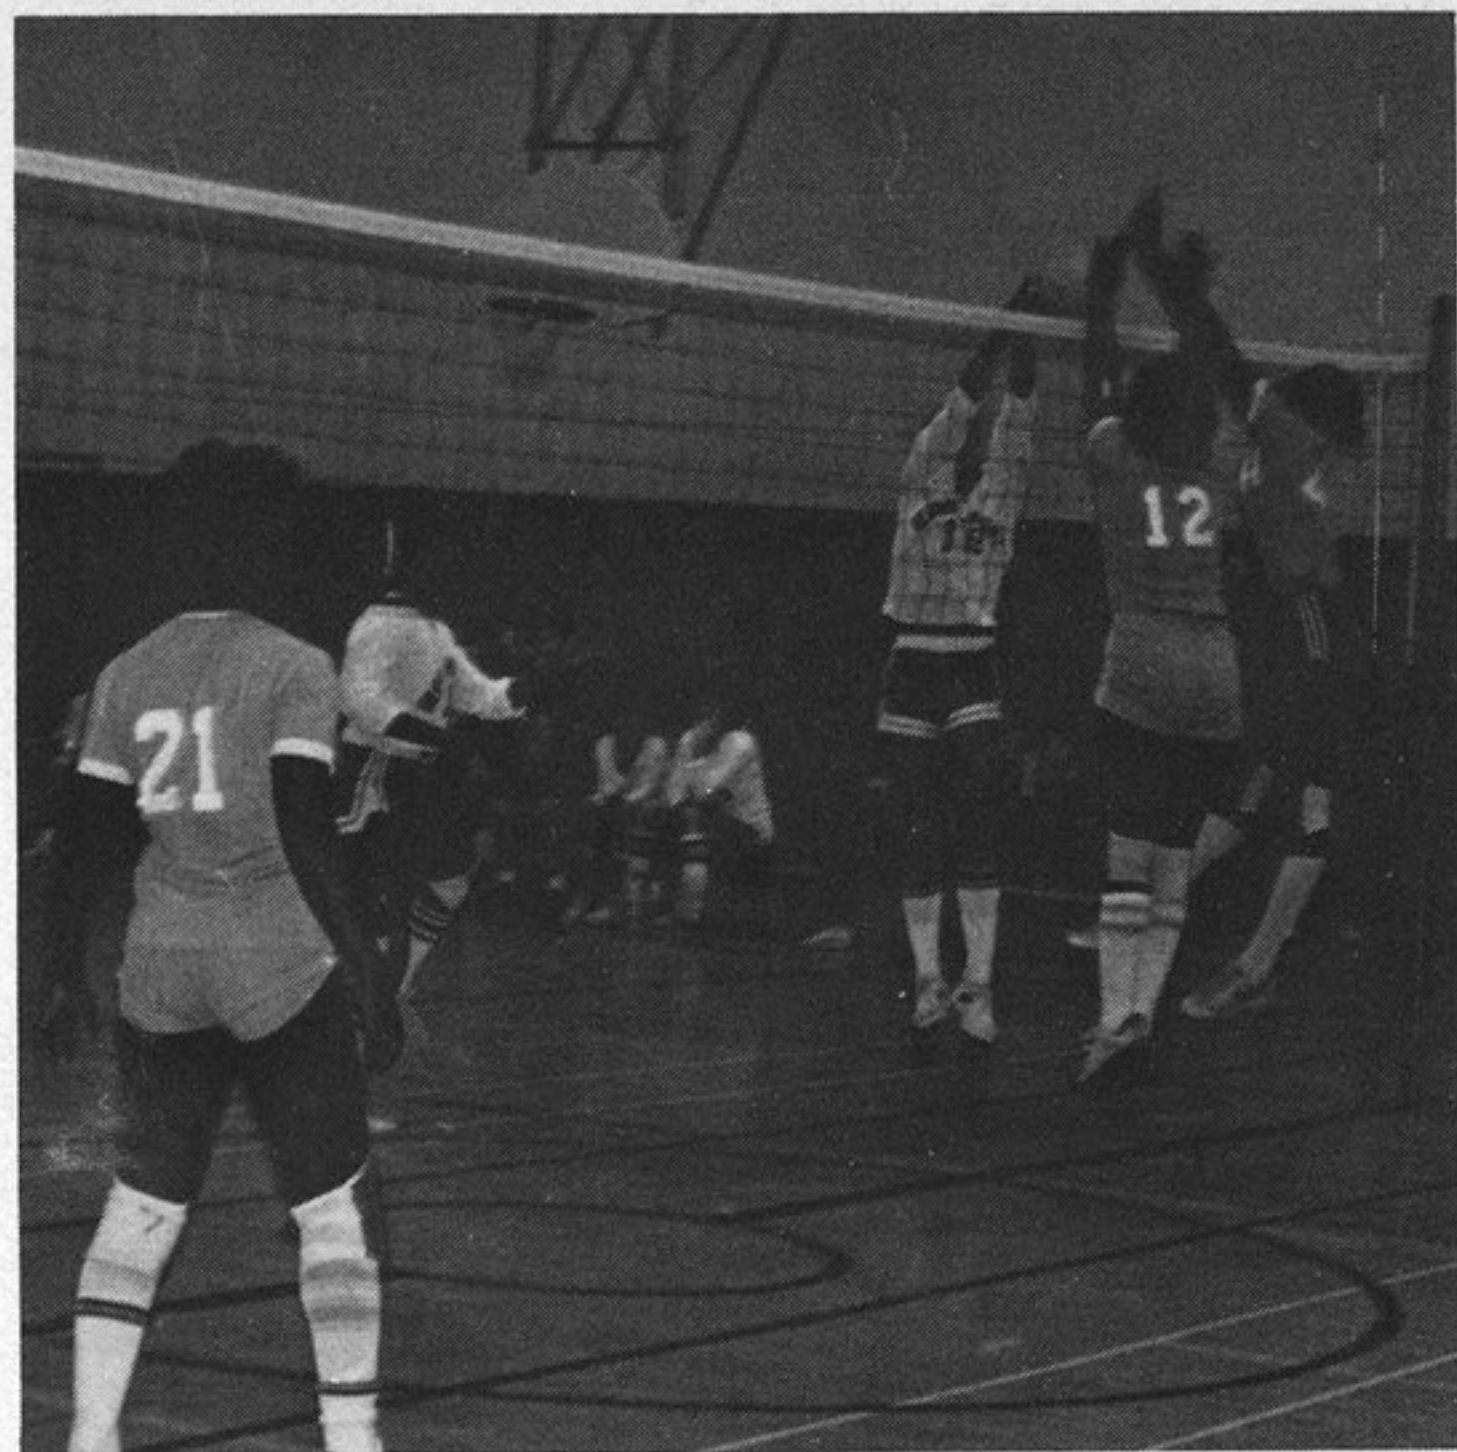

We toasted the old boys this year and gave them a real run for their money.

By destroying Leaside and Monarch Park we won the York and T.D.I.A.A. Championships. This qualified us for O.F.S.A.A. where we learned some very important lessons.

In all it was an excellent season and I was very proud to be part of it.

STATS

12-0 regular and exhibition season

13-0 after semi-finals

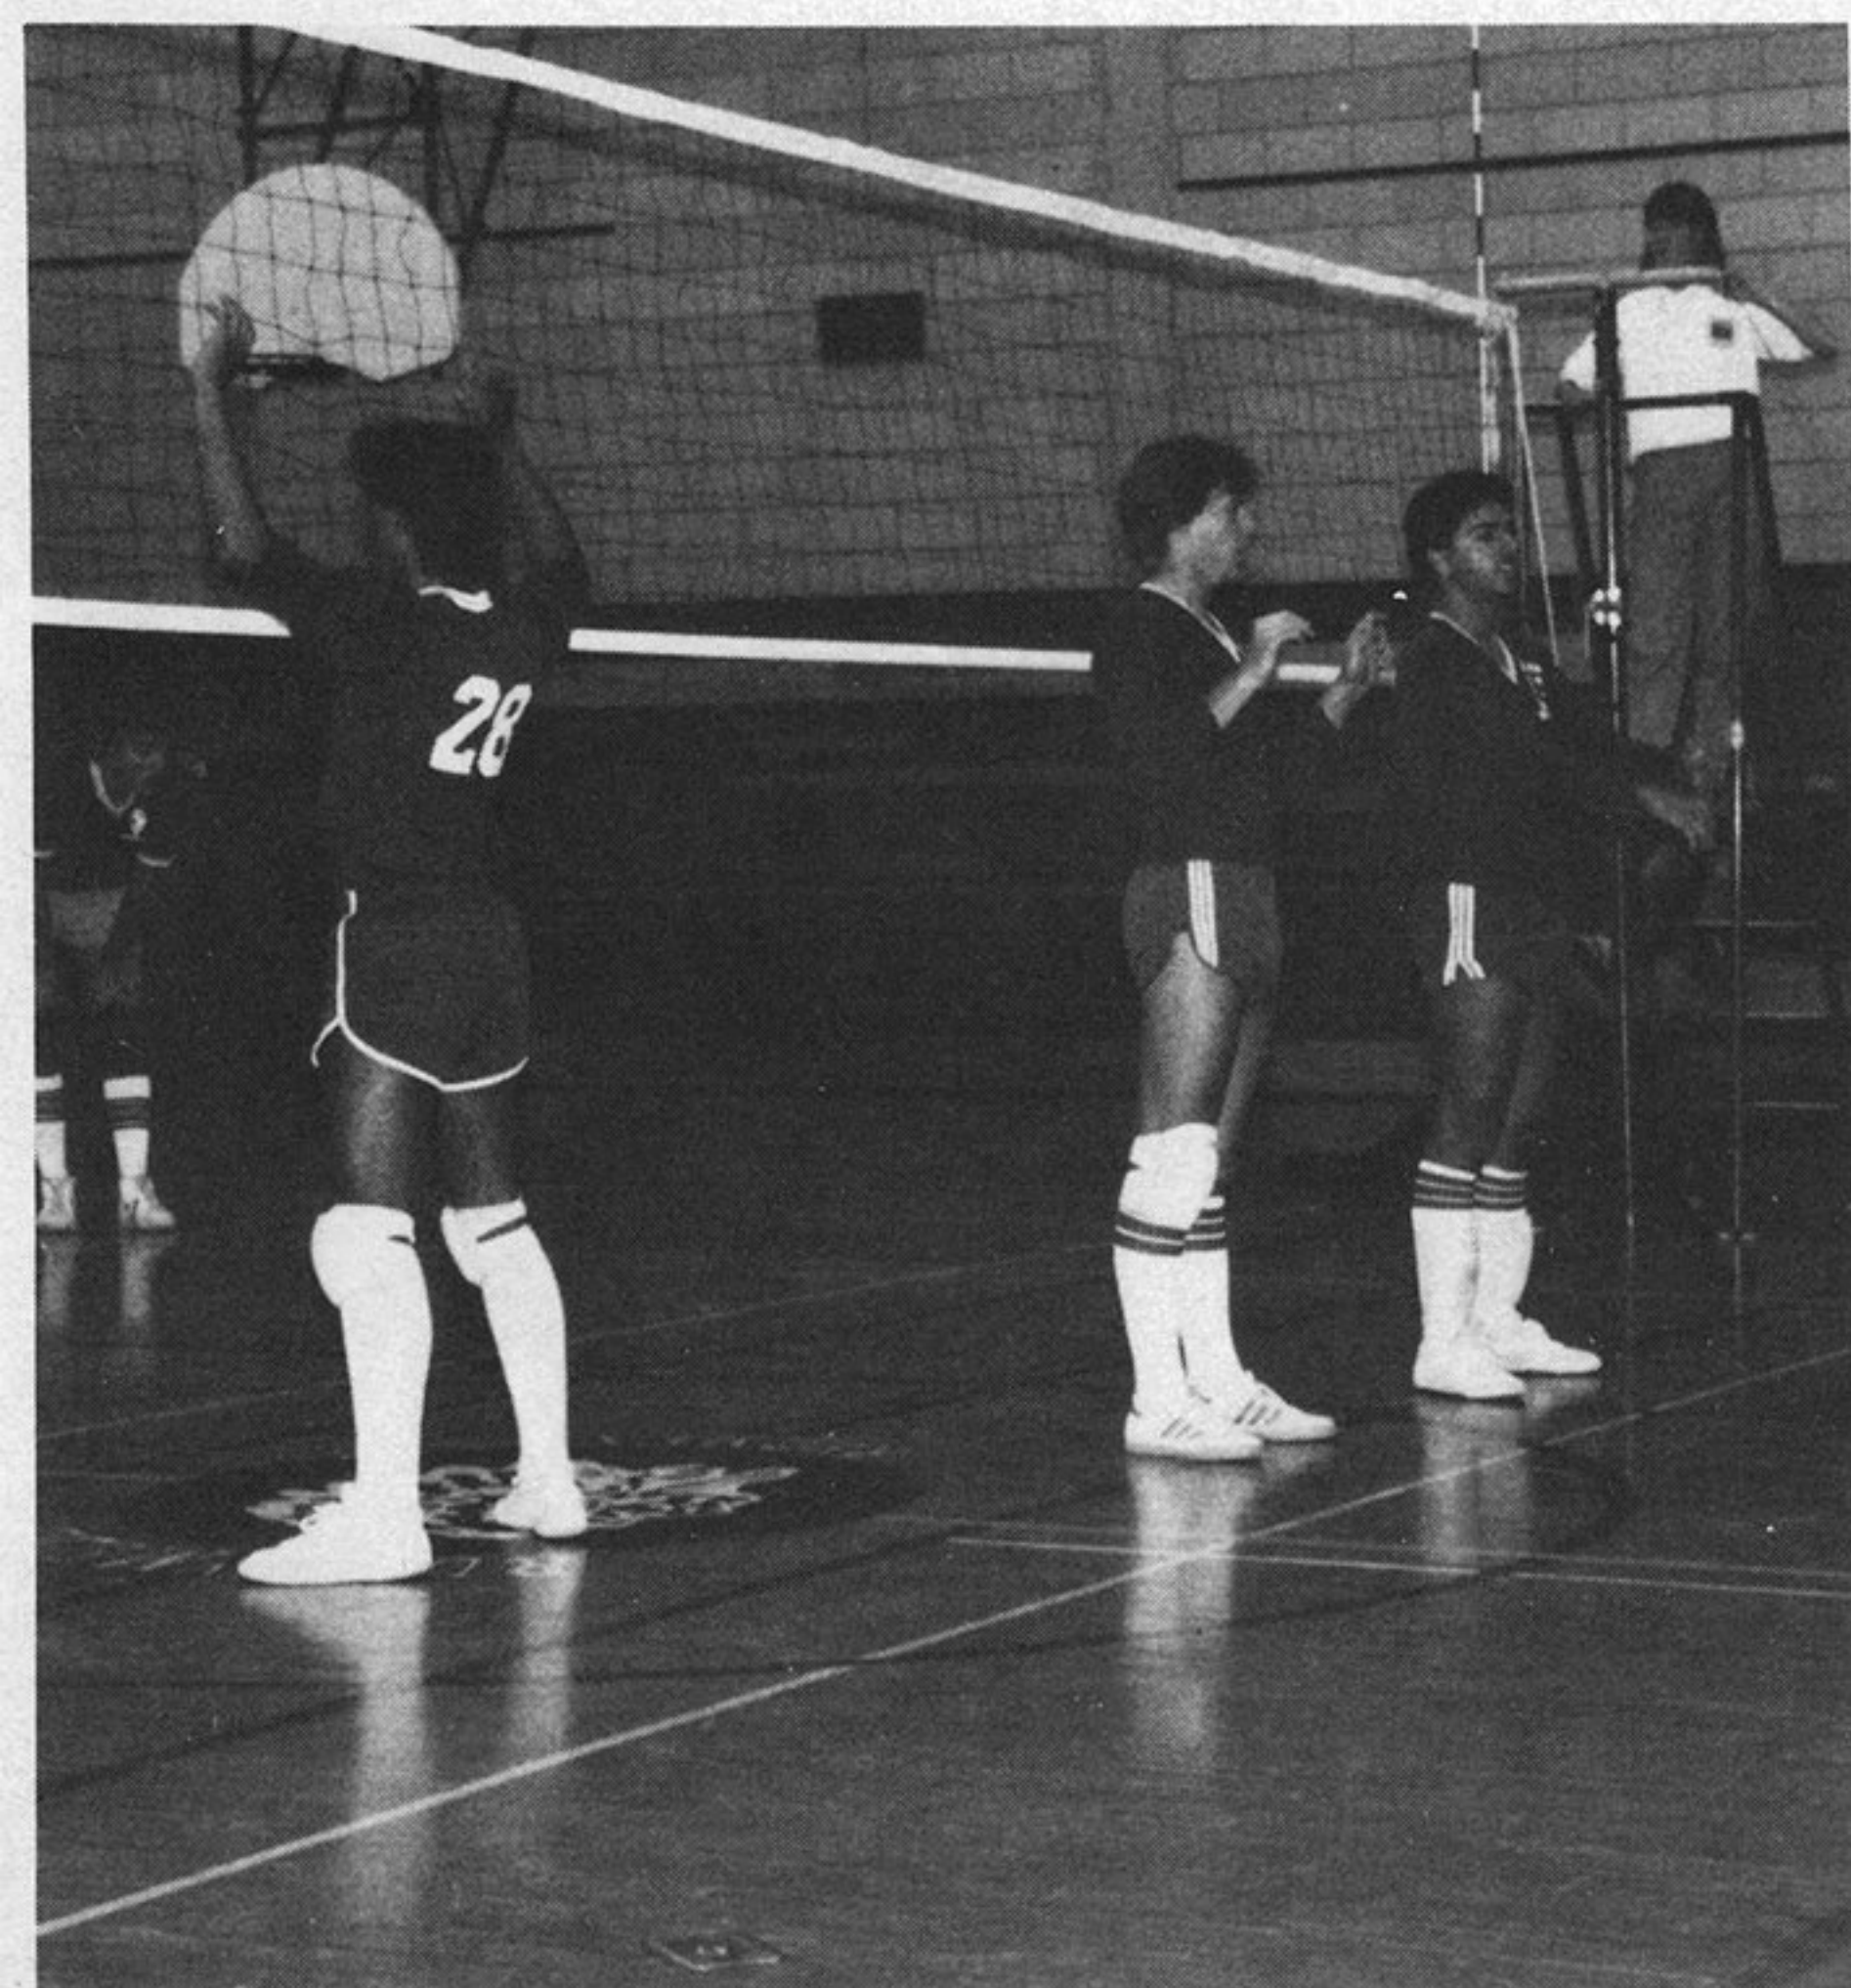

York League finalists T.D.I.A.A. semi-finalists 14-2

First in league during regular season.

Those 7:00 a.m. morning practices with the 20-minute workout proved that it can be done. No senior boys volleyball team from Weston has gone so far in any one season, only losing 2 games all season and they went to the York League and the T.D.I.A.A. Championship.

The team blasted their way to 3-0 games to win many matches in the season. Excellent spiking from Gino, Raul, and Ken, combined with good blocking from John and Dave paved the way to the top of the league of course, the fine spiking could not have happened without excellent setting from Manny and Dave. Next year O.F.F.S.A.! Maniac!

STATS

12-0 regular and exhibition games.

York League Champions, T.D.I.A.A. finalists 14-1
First in league.

If the seniors can be there at 7:00 a.m. doing the 20-minute workout then the junior team will not be outdone. They only lost one game! The junior team packed in a surprising first place finish with the York League Championship. A second place finish in the T.D.I.A.A. finals to be the first Weston junior boys volleyball to get it all. This is the best Weston will see for years to come; many of the team members are moving up to the senior rank. Thanks from the coach and manager for a very successful season.

SWIM TEAM

For the 11th straight year, our boys swim team won the York Championship! They did so by winning the bantam and senior divisions, and placing second in Junior. Unfortunately again this year, there was a poor turnout in the junior grades for the girls swim team. As a result, our bantam and junior teams placed third. But our senior girls, still the strength of the team, won the Senior Girls York Championship!

Congratulations to Rob McLean and Steve Rubichaud who each set two York and T.D.I.A.A. records in the championship meet. In addition Brigitte Kobiak and Paul Icke, who both were on the team for five years, were selected as our outstanding swimmers this season.

SENIOR CHEERLEADERS

Sanja Antonijevic, Tina Hogan, Marlee Cargil,

SUICIDE

Like an actor,
he tried to play a role,
but didn't suit the part.
Though he was always acting,
he couldn't go on this way forever,
and so he decided to move on to a new role
that would solve all his problems,
and please some others as well.

The other actors begged him not to
go through with it,
but despite their pleas,
he couldn't remain among them,
and he convinced himself his life was destined
for this coming role.

So he left behind the old stage,
arriving at the new and final one.
As a stunned audience watched his last performance
- before the curtain fell.

Barb Rodinis

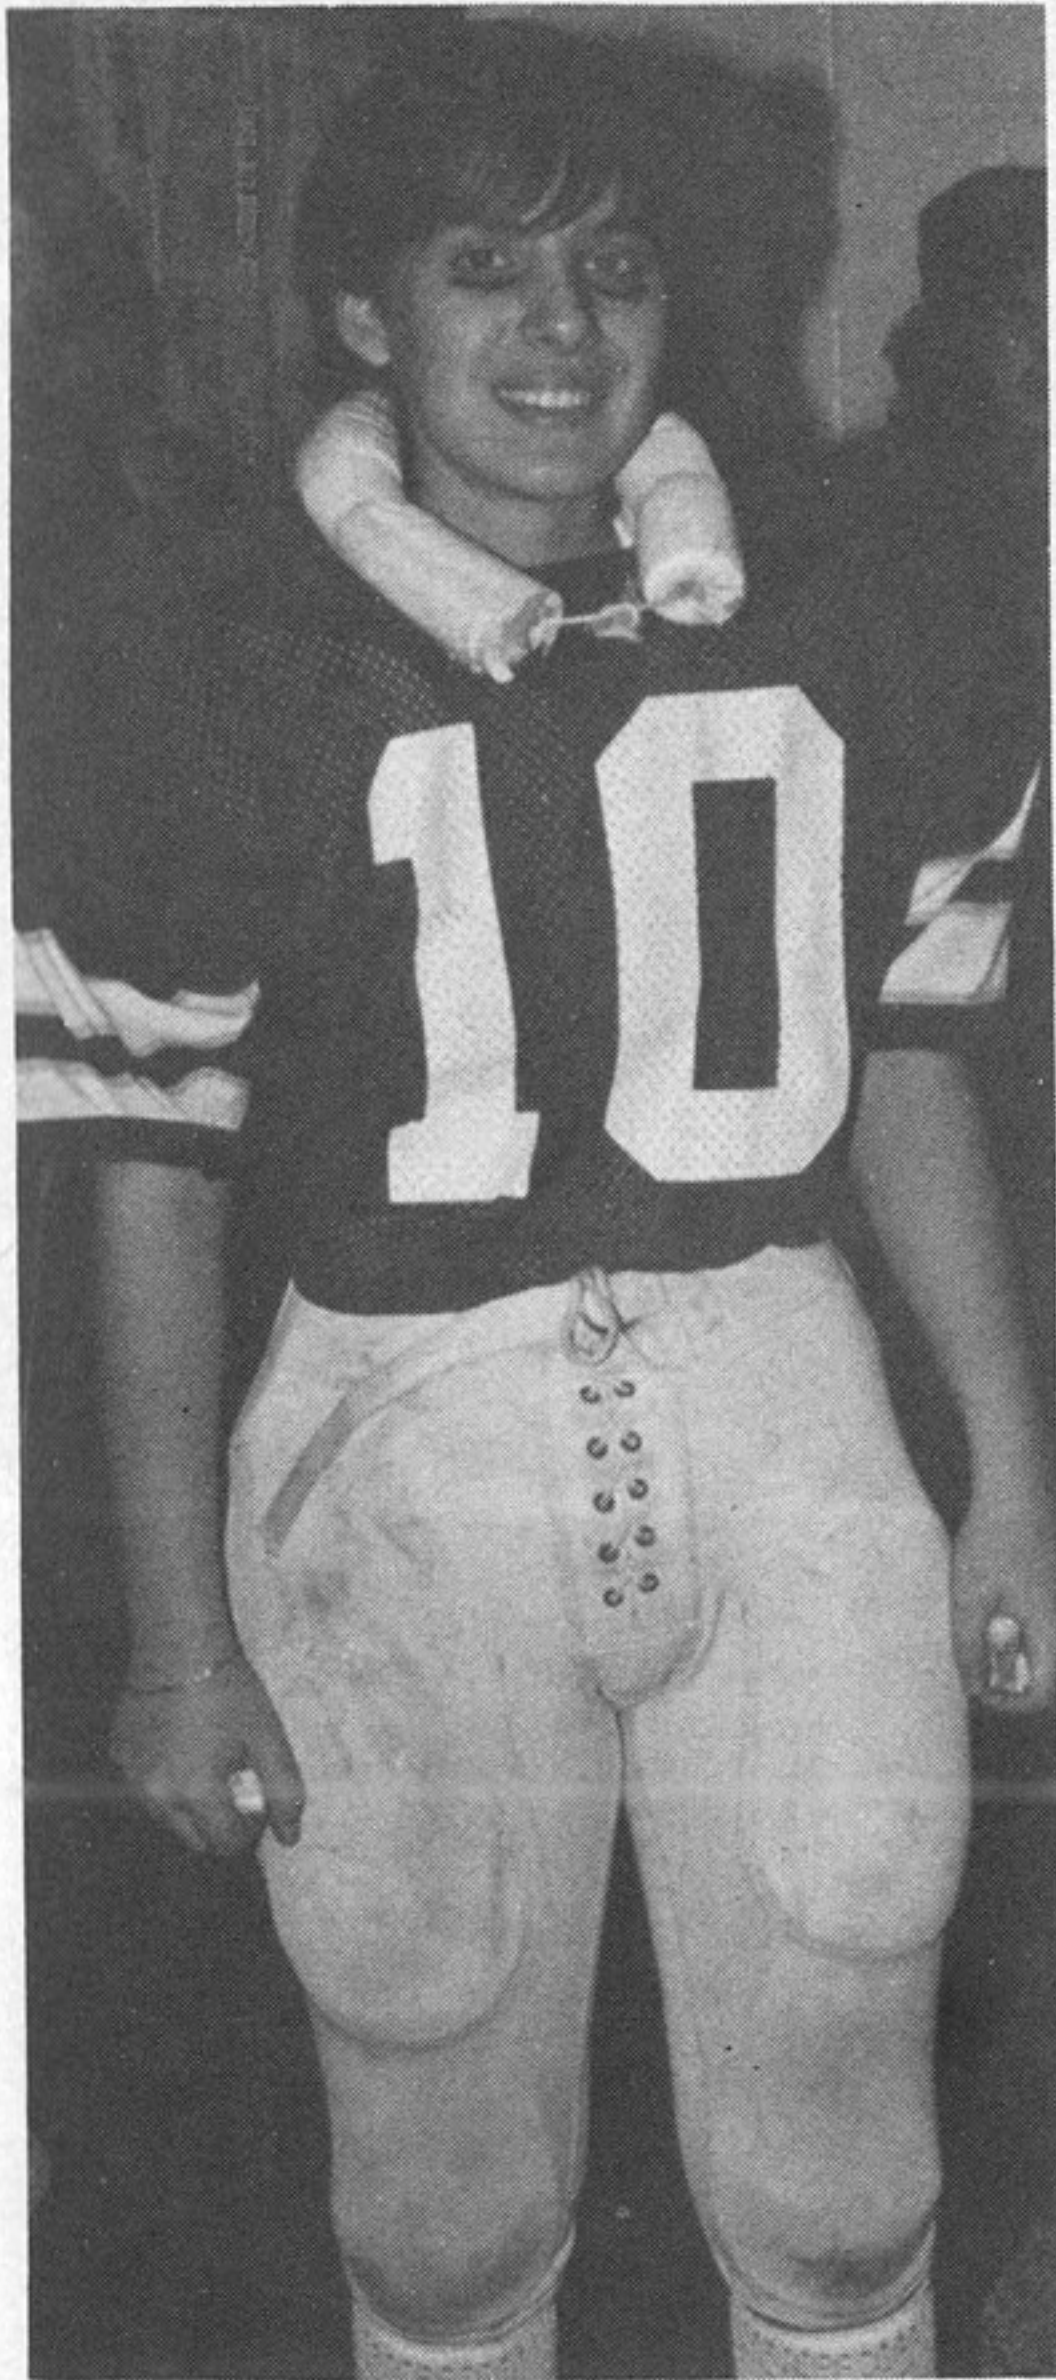

LET ME GO!

In white linen sheets
A man lies waiting
Surrounded by the maze
Of transparent life-givers
Feeding, pumping, breathing,
The thinking corpse of a man

Waiting in painful silence
For justice to be done
They come!
Around the bed they do assemble
With grim and sadly faces
Imploring eyes filled with tears
Searching for revelation
And as the taker-giver
Leans across, the pain is gone
The eyes fill with exaltation
Then silence
